The American born in 1961 can look forward to a life span of nearly 70 years. Since 1900 alone, average life expectancy has climbed an incredible 20 years. Medical progress is the great achiever of these revolutionary gains. New research and new knowledge today promise even further advances. Nevertheless, neglecting to see a physician in time to benefit fully from modern medical science is cheating many not only of average years, but of extra years. Clearly, the great step toward better health and longer life is simple: regular medical check-ups.

**LUCKY — NO BREAK THIS
TIME.** The city's engineering
staff was summoned Monday
afternoon to inspect a hole
which appeared along the easement
for the 15-inch sanitary
sewer trunk line in Cloverview
subdivision at the rear of the
home of Police Chief Raymond
Willard, 2509 Lynch avenue.
It was determined the large

hole was a result of an underground
void and was the result
of recent rains and the win-
ter heavy snow. It was filled
with sand by street department
employees.
The hole, about eight or nine
feet in diameter, was only a
short distance from the scene
of the city's first breakdown
in the Naimoel sanitary sewer
system, which occurred at Mary-
ville road. Expensive repair
projects were carried out twice
at that location about two years
ago.
A. W. Pearson of the city en-
gineering staff told the Press-
Record that there was no sewer
stoppage in the 15-inch trunk at
the rear of Chief Willard's
home.

City Accepts Loan To Remove 19th St. Trolley Tracks

Track removal along 19th
street is to proceed under a loan
made recently by the Down-
town Granite City Shopping Cen-
ter merchants to loan the con-
tract amount to the city.

Approval of the offer was voted
unanimously Monday night by
city council members, following
an explanation by Mayor Davis,
who said the proposal was made
during a council chairman meet-
ing on March 12.

Aldermen praised the down-
town merchants for their interest
in improving the city. The city
had called for bids several
months ago but then abandon
the project because all available
city funds were being spent on
sewer repairs.

The contract proposal of \$13-
344, submitted by G. H. Sternberg
& Co., still is in force, and the
down town merchants plan to
borrow the amount from a bank
and advance it to the city. The
city will repay the amount, with-
out interest, when a settlement
is reached in a suit against Illi-
nois Terminal Railroad for re-
moval of abandoned street car
tracks.

The improvement calls for the
tracks to be removed from State
street to Cleveland blvd. and for
replacing the old trolley right-of-
way. Drainage improvements with
a new sewer line and catch
basins at 19th and State streets
also are included.

The council accepted Stern-
berg's proposal and authorized
the mayor and City Clerk A. L.
Stevens to enter into the agree-
ment with downtown merchants
in borrowing the money.

Commission Rulings Accepted By Council

Two approvals given last week
by the City Planning Commis-
sion were accepted by Granite
City council members Monday
night. They were the C-2 com-
mercial zoning designation for
seven-acre tract at the end of
St. Clair avenue sought by Henry
Ross, contractor, for develop-
ment of a shopping center, and
a plat for a 47-lot subdivision
along State Route 111 between
Pontoon Beach and Route 162,
to be known as Bruene Meadows.

A request submitted by George
Stearns of Maryland Real Estate
Co. for residential purposes.
Both tracts are outside the
city limits. The Bruene Meadows
just within the mile-and-a-half
limit. The Ross tract is adjacent
to the city boundary and he
plans to seek annexation.

Alderman Donald Partney
said he learned Ross owns about
45 acres at the site and suggested
it would be more convenient
and less costly to the city if
subdividers would present entire
tracts for annexation at one
time.

"We wouldn't have to be
changing the city map all the
time, and go through the pro-
cedure of annexation," Partney
said. "I have talked to the as-
sessor because of the subdivid-
ers' fear of high taxes on vacant
property. The assessor said prop-
erty along finished streets would
be assessed as lots as long as no
houses are built and where there
are no streets, the assessment
would be under a classification
of farmland."
"It's hard for the city to keep
up with its maps and boundary
changes when subdivision tracts
are annexed piecemeal," Partney
concluded. He said the seven-
acre tract owned by Ross is L-
shaped.

Broadway To Head GC Rotary Club In 1962-63

Gerald M. Broadway, 2438
State street, was elected pres-
ident of the Granite City Rotary
club Tuesday for the 1962-63
year beginning July 1.
Employment agent of General
Steel Industries, Broadway is a
past director of the Rotary club
and has a perfect attendance
record with the club.

Other new officers are Glenn
Abernethy, first vice-president;
Edward Meng, second vice-pres-
ident; Raymond Ruffer, secre-
tary; Muri Anderson, assistant
secretary; Charles Gavin, treas-
urer; Arthur Koepfer, assistant
treasurer; William Hoechebeck
sergeant-at-arms; Chris Paschoff
assistant-sergeant-at-arms; and
Harold Thomas, Harvey Baker
and Dean Mabery, directors for
three-year terms.

President Meng appointed
Broadway as chairman of a com-
mittee to encourage attendance
by club members at the annual
district Rotary conference April
23-24 in Macomb.

A. L. Stevens, program chair-
man, introduced Leonard Brantley
of the Illinois Department of
Conservation's Education Divi-
sion.
Most frequent violation of state
game laws is fishing without a
license, and a major problem at
present is violation of farmers'
property rights by hunters.
Brantley said in discussing the
work of his department. Part
of the state's conservation ef-
forts are financed by federal re-
imbursement from taxes on am-
munition and fishing equipment
he related.

President Chester Arthur

Nameoki Board Boosts Town Fund Budget By \$4250

An increase of \$4250 in town fund appropriations was approved by Nameoki town board members during a public hearing on the 1962-63 budget held Tuesday evening in the town hall. The increase boosts the town fund budget to \$36,455, while the relief budget of \$28,680 was unchanged. Supervisor Harry Briggs said, One-half rate will be levied for relief to qualify for state funds.

Explanations for the \$4250 increase were given by Supervisor Briggs and Town Atty. Nick Vasiloff. Of the \$4250, an amount of \$1000 was added to town officers' expenses to cover costs of suit against Nameoki Town Collector Elbert Coats by East St. Louis & Interurban Water Co. filed in the circuit court at Edwardsville to halt collection of taxes.

The remaining \$3250, Briggs said, represents operational costs in the collector's office and will be offset with collection fees and will not require a tax levy. Atty. Vasiloff said both the Nameoki and Venice tax collectors and County Treasurer Dan McGee were named in the water company's suit in the form of an injunction to halt the tax collection which the water company says is based on erroneous assessments in the two townships.

Assessor Defends Appraisal
Nameoki Tax Assessor Joseph Cohan, who was present for the budget hearing said the county board of review previously had cut the water company assessment but did not this year. He gave figures of a \$230,000 assessment for this year's tax collection, compared to \$130,000 last year and said about \$2000 in taxes is involved.

Atty. Vasiloff said the suit, no matter how it is decided in the circuit court, probably will go to the state supreme court and the township will need funds to properly present its case through the hiring of engineers and accountants. He said the suit costs should be shared by the county and Venice township, and a conference is planned for Saturday with the state attorney's office to determine participation by the county. Vasiloff suggested a \$1500 figure, but it was reduced to \$1000 to be played in the amended budget. Briggs said that if it is determined Saturday the amount is not needed, the budget can be cut during the annual meeting next Tuesday evening on April 3.

The budgeting of operational expenses for the tax collector's office is required under a new state law, Supervisor Briggs told

Candidates, Panelists At Area PTA Tonight

Mrs. Kathleen Faidock will conduct a meeting of the Granite City Area PTA Council this evening at 7:30 at Prather Junior high school. "School Administration View the PTA" will be the topic of a panel discussion by principals of various local schools and Dr. Harold Kaiser, superintendent of schools. Candidates for county superintendent, Wilbur R. Trimpie, incumbent, and Russell G. Shaver, will address the area council members, and school board candidates will be present.

GC Council Audits Township Reports

Annual reports for the 1961-62 fiscal year were presented to the Granite City council in its capacity as the town board of auditors Tuesday evening by Nelson Hagnauer for the township's semi-annual meeting held in the city hall office of City-Town Clerk A. L. Stevens. The reports for the town fund and general assistance fund covered the period March 1, 1961, to last Feb. 28. The town fund showed receipts totaling \$46,494 and disbursements of \$36,438, leaving a balance Feb. 28 of \$20,055, while the relief fund showed disbursements of \$120,305 during the year, with \$17,686 in outstanding bills and a Feb. 28 balance of \$73,523.

A breakdown of relief disbursements by months follows: March, 1961, \$6321; April, \$8653; May, \$228; June, \$6806; July, \$8954; August, \$7829; September, \$9490; October, \$12,730; November, \$14,522; December, \$9729; January, 1962, \$12,027; and February, \$13,578.

Mrs. Virginia R. Ditch of 1619 Second street, has been named chairman of the Cancer Fund drive to be conducted throughout April.

Mrs. Ditch, wife of Jesse S. Ditch, a pipettier for a St. Louis firm, will be aided in a door-to-door solicitation on April 23 by about 45 members of the Madison Schools' Mothers' Club.

Area leaders will be Mrs. Beulah Williams in West Madison and Mrs. Luther Ray and Mrs. Marjorie Cross in East Madison. A leader for the Bend road area is to be named in advance of the door-to-door drive.

Cannisters and postages are to be placed in business homes early next week to announce the drive, which is under the auspices of the national, state and county cancer societies.

Mrs. Ditch, a native of Bloomington and an eight-year resident of Madison, is the mother of six children and is president of the Madison Mothers' Club. She was employed by the GW&O Railroad in St. Louis for 18 years. Mrs. Ditch also is a member of the Thursday Club and the Madison First Baptist Church.

Two Fire Calls

Firemen answered two calls yesterday morning, one a false alarm and the other a rubbish fire. The false alarm came at 12:25 a.m. when firemen were called to Lee's Grill, 1623 Madison avenue. No damage resulted from the rubbish fire, which was in the alley behind 1930 State street at 9:20 a.m.

AUSTIN LEWIS, Madison, who has low offices in Granite City and is a former Venice resident. He is a Democratic candidate for probate judge in the April primary.

Lewis Cites Possible New Duties For Judge

Austin Lewis, local attorney running for probate judge in the Democratic primary election, this week issued a statement of candidacy in which he cited the possibility of duties being added to the judicial position.

"If the judicial reform bill is approved at the next general election, the probate judge will become an associate circuit judge, and cases involving every field of law will be presented to him for decision," Lewis commented.

"It is therefore highly important that in selecting their probate judge for the next four years that the people of Madison county choose an experienced, capable lawyer. I believe I have the ability, experience and training necessary to perform the functions of the office in a manner that will best serve the interests of the citizens of Madison county."

A lifelong resident of the Quad-Cities, he has practiced law here for 32 years, except for nearly four years during World War II when he served with the Army's military intelligence division overseas.

Lewis formerly held the office of state's attorney and has been Madison city corporation counsel since 1941. At present and for the past five years, he has served as public defender of Madison county by appointment of the circuit judges. He is a graduate of Venice high school and received his law degree at Washington University.

His statement notes that he is the only one of the probate judge candidates to receive the endorsements of the Tri-City Trades and Labor Council, the AFL-CIO District Committee on Political Education.

A past president of the Tri-City Bar Association and Madison Lions club, he is president and commissioner of the Madison Khoury boys' baseball leagues and a commissioner of the Tri-City Regional Port District, which is seeking port and industrial development for the Quad-Cities.

Lewis served as president of the Venice board of education for four terms and is a past president of the Coburn Mount Boy Scout Council, which awarded him the Silver Beaver.

15 Attend Tea For New Homemakers Members

Fifteen members of the Homemakers Extension Association of the Tri-Cities, Granite City and Isabel Bevier units attended a tea for new members Monday at the Farm Bureau Building in Edwardsville.

Miss Jo Leslie, home economist of the Illinois Power Co., gave a food demonstration with an Easter theme. She prepared an Easter bunny table decoration out of wire, styrofoam and plastic bags and displayed various desserts decorated with candies and coconut that can be used as a table arrangement and also can be eaten.

A style show was presented by ladies of the county who have been taking sewing lessons for the past three years at the Bureau office. Mrs. Ellen Menses, county vice-chairman from Roxana, was the day's hostess for the tea, given every year. Mrs. Pauline Davis, immediate past county chairman, poured tea and was assisted by Mrs. Genevieve Hill, Granite City unit chairman. The tea table was decorated with two large bunnies and several smaller bunnies, and wheelbarrows filled with real and artificial flowers and butterflies denoted the coming Easter season and spring.

Attending from the Granite City unit, were Mrs. Hill, Mrs. Ann Fare, Mrs. Norma Bridenbach, Mrs. Josephine Uram, Mrs. Vera Carey, Mrs. Loretta Haack and Mrs. Anna Noth; Isabel Bevier unit, Mrs. Irene Davies, Mrs. Elvora Barthart, Mrs. Lorraine Joshi, Mrs. Helen Cuvier and Mrs. Hazel Atchison; and Tri-City unit, Mrs. June Lux, Mrs. Willa Mae Lux and Mrs. Clara Schilling. Over 100 attended.

SOCIETY

Mitchellets Elect Officers

An election of officers for the coming year was held at the first meeting of the year of the 4-H Merry Mitchellets Monday evening at the home of Laura Jensen, Highway 66. The meeting opened with the pledge of allegiance to the American flag, led by Judy Sands, and the pledge to the 4-H flag by the hostess.

Four new members were admitted to the organization. They were Judy Sands, Donna Eads, Sara Holliday and Jeanne Hart.

Mrs. Shirley Schilling, leader of the club, assisted the girls, Laura Jensen was elected president, Judy Sands vice-president, Donna Eads secretary, Donna Holliday treasurer, Bonnie Allen reporter and Patricia Schilling and Linda Holland, co-chairmen of recreation.

A discussion of projects was held, and Mrs. Schilling gave out enrollment cards and announced that the meetings will be held on the second and fourth Mondays of the month.

The hostess and the leader served refreshments to the newly-elected officers, new members and Mary Holliday, Sharon Hollan, Judy Hardy and Betty Ruegge. The next meeting will be April 9 at the home of Donna Eads, Highway 66.

Don't neglect packaged green noodles! They add exceptionally fine flavor and pleasing color. Cook the noodles according to the package directions and then toss with butter and grated Parmesan or Romano cheese.

Sorority To Honor Founders

Representatives of the four Beta Sigma Phi chapters met Tuesday evening at the home of Mrs. Alice Sauler, 2925 Fortune drive, to complete preparations for the 31st annual Founders Day banquet.

A message from the International headquarters will be given by Mrs. Hazel Towery. It will be a special message from the sorority founder, Walter W. Rose of Mrs. Vivian Gitehoff of the Theta Theta chapter will be chairman of the banquet to be held at the Sheraton-Jefferson Hotel April 25. Mrs. Carol Merz of the Iota Psi chapter will be toastmaster.

Mrs. Gitehoff announced that all the chapters will meet as individual chapters to choose a speaker for the banquet. She announced that there are over 7000 chapters now in 14 countries, and the sorority was formed in Abilene, Kan., in 1931. The history of the local chapters will be reviewed, and new members will receive their first welcome to membership. Lota Psi will prepare the programs, assisted by Theta Theta.

Others at the meeting were Mrs. Janet Bogosian of Phi Beta Tau, Mrs. Jackie Harshberger of Iota Psi and Mrs. Martha Dickson of Theta Theta.

Easter Theme For Luncheon

Mrs. Ida Handfield of Mitchell entertained the Tuesday Collectors club at a monthly meeting. The hostess used the Easter theme in her luncheon table decorations, and had cut flowers and yellow candles.

The club members, all collectors of antiques, met once a month in the members' homes to discuss and look over antiques just acquired by the hostesses. They have vast collections of china dishes, glassware, vases and linens. Mrs. Handfield's collection includes old bottles, and she has over 100 cups and saucers.

Those present were Mrs. Dean Kurl, Mrs. Elsie Stevens, Mrs. Evelyn Davis, Mrs. Madge Ramsey, Mrs. Ann Riegan and Mrs. Mary Hastings. Mrs. Davis has invited the club to meet in her home, 2925 Madison avenue, April 24.

Miss Carol Lynn Lockhart, fiancée of Gerald Carter, a son of Mr. and Mrs. Harvey Carter, Edwardsville. Announcement of the engagement of the couple is being made by the bride-elect's parents, Mr. and Mrs. Russell A. Lockhart, 3407 Franklin avenue. Plans are being made for an October wedding.

Installation Of Pledges Planned By Sorority

A pot luck dinner preceded the regular meeting of Theta Theta Chapter of Beta Sigma Phi sorority last night in the home of Mrs. Delores Dortch, 2301 Woodlawn avenue.

Final plans were made for a pledge installation at the Prime Steer restaurant in St. Louis April 4 at which time an Exemplar degree will be conferred upon Mrs. Beatrice Brackett. Reports were given in progress of arrangements for the Area Council meeting here April 8 and Founders Day at Hotel Sheraton-Jefferson April 25.

After a review of the chapter constitution and by-laws of the sorority, an election of officers was held. Those elected were Mrs. Dortch, president; Ruth Stoyanoff, vice-president; Alice Holshouser, recording secretary; Pat Tsigaloff, treasurer; Joyce Todd, corresponding secretary, and Alice Komiczny, extension officer.

"Tools For the Art of Life Action," the evening's cultural program, was presented by Joyce Todd.

The bakery product went to Marlene Harper, and Beatrice Brackett was winner of the evening's prize.

HONOR DAUGHTER ON BIRTHDAY
Mr. and Mrs. Robert E. Henry, 3913 Franklin avenue, entertained guests at a party in their home this week in honor of the third birthday of their daughter, Carol Rae.

Those present were the grandparents of the honoree, Mr. and Mrs. Coy Twest and Mr. and Mrs. William Henry. Mrs. Ruth Dodson, the young guest of honor and her parents.

Small Group At PTA Hears GC Board Candidates

At a monthly meeting of the Coolidge PTA Monday evening in the all-purpose room, election of officers for 1962-63 was held and school board candidates were introduced as well as candidates for county superintendent of schools.

Mrs. Valerie Evenden, president, conducted the meeting and the PTA prayer was led by Mrs. Lois Haynes.

Richard Polley, chairman of the nominating committee, presented a slate of officers elected by acclamation. Those chosen were Mrs. Lois Haynes, president; Mrs. Elsie Rodell, first vice-president; Assistant Principal David Cattle, second vice-president; Mrs. Elva Mae Spencer, recording secretary; Mrs. Ellen Heika, corresponding secretary; and Lewis E. Sabin, treasurer.

Mrs. Evenden apologized to the school board and county candidates for the attendance of only 25, which included the candidates. She expressed regret that so few members were on hand to meet and hear candidates for important offices. She introduced Mrs. Mary Jesse, legislation chairman, who in turn introduced the evening's guests.

Miss Barbara Ette of Bethalto spoke on behalf of County Supt. Wilbur R. Trimpe, and Russell G. Shaver, county superintendent candidate, appeared in person.

Rev. Paul Evans represented Board President Robert Spengler. Mrs. Sue Lewis appeared for Scott Craycraft, and Clayton Creek, Thomas Kula, Lester and Daniel N. Linder, school board candidates, spoke.

Mrs. Hilred Lewis, chairman of the second annual spring style show slated for April 5, announced that a rehearsal will be held April 4 at 7 p. m. at the school. Mrs. Lewis reported that Mrs. Loretta Ridge, professional model, will be in charge of rehearsals and will instruct the girls and boys.

Charles Jungels, program chairman, announced that the next PTA meeting will be on April 16, one week early due to the Easter holiday, and the guest speaker will be Dr. Abraham Levitsky, St. Louis clinical psychologist. He will speak on hypnosis.

ADVERTISE - IT PAYS

4th Annual Judo Tournament Here Saturday

Large Number Of Entries To Include Top Black Belts

4th Annual Judo Tournament... The fourth annual invitational judo tournament conducted by the Granite City Judo Club will be held Saturday evening at the YMCA gymnasium, with a record number of participants expected, program director Bob Whelan said today.

Competition at four proficiency levels will begin at 6:30 p.m., preceded at 2:30 by a clinic for women participants in sport judo. A closed judo clinic for men and women will be held Sunday at the YMCA.

Saturday night's competition will take place simultaneously on three mats. During a short intermission, demonstrations of self defense and karate will be given.

Chicago, Detroit Entries
Cities which will send "judokas" to the tournament include St. Louis, Evanston, Gary, Peoria, Milwaukee, Detroit and Chicago. In addition, teams will represent Southern Illinois University and the local judo club. Whelan said advance registration shows that from 15 to 18 top-ranked black belt holders will enter the competition.

Among ranking black belt holders who will attend, either to compete or supervise the action, are Jiguro Miyasaka and Masato Tamura, both holders of the sixth-degree black belt; Tom Watanabe, fifth-degree; Ron Egami, third-degree; and Jim Shannon and 19-year-old Rhett Summerville, both second-degree.

The order of competition is junior division (13 years of age and under), intermediate (14-17), white belt and brown and black belt.

The local club will have approximately 63 entries in these divisions. In addition, 16 girls and women will take part in the women's clinic.

The meet is sanctioned by the Chicago Judo Yundashakai and the AAU. Admission to the competition will be \$1 for adults and 50 cents for children, 13 years of age and under.

48 Teams Sign Up At First Park Baseball Meeting

Baseball Meeting

Forty-eight teams indicated their intentions to participate in the Granite City park district boys' baseball leagues this summer during the first organizational meeting of the league held Monday night at the park district community center.

Park Recreation Director Harold Brown termed the turnout "the best we've had at the first meeting since the program began," and added that at least 12 more teams can be accommodated this summer.

Last year the leagues had 52 teams in four age divisions. Brown added that several teams in the Atom and Midget divisions, although already organized, have room on their rosters for additional batters. He may be contacted at the park office, TR. 7-3059.

The leagues have been expanded to include five age groups in 1962—Atom, Bantam, Midget, Juvenile and Junior, the latter group the newest and for older players, most of whom have come up through the ranks in the park leagues.

Managers of prospective teams which have not yet entered the leagues, together with representatives of teams already signed up, are being asked to attend another meeting on Friday, April 6, at 7:30 p.m. at the park recreation center, 822 Niedringhaus avenue.

Hand-Launched Glider Contest Here Sunday

An interclub hand-launched glider contest will be staged at 1 p.m. Sunday at the Coolidge junior high school athletic field by members of the Tri-City Sky Stealers model airplane club. Trophies will be awarded to the top finishers in the outdoor contest.

Meeting last night at the YMCA, the Sky Stealers heard the first reading of a proposed revised constitution, which will be voted upon at an April 11 meeting.

The club also voted to build and enter a float in the Knights of Columbus May Day parade, which will be held here this spring. Junior and senior members of the model club plan a car wash Saturday at a local service station, with the proceeds to be used to purchase shirts.

SOCIETY

Niedringhaus PTA
Honors Girl Scouts;
350 Attend

In recognition of Girl Scout month, the program at the meeting of the Niedringhaus School PTA Tuesday evening was given by the 120 Girl Scout and Brownie Troops of the school. Mary Harris, who has earned the "God and Country" award, offered the opening prayer and the colors were posted by Troop 49 who gave the Scout promise and led the audience in the song "America."

Mrs. Lorraine Ranft, Scout organizer, introduced the troops and several scouting songs were sung by each group. The meeting closed with the girls and leaders joining hands and singing "Taps." They were led by the sixth grade troop.

A nominating committee was selected, their report to be given at the next meeting. Those serving will be Harold Hillmer, Mrs. Jane Becker, Walter Fink and Mr. and Mrs. Oscar Mooshegan.

After the meeting, presided over by Clayton Creek, president, there was a cakewalk and refreshments were served by the fifth grade room mothers to approximately 350 persons.

The second grade, taught by Mrs. Elizabeth Edwards, and Mrs. Gwendolyn Berry's fourth grade were winners in the room count.

15 Girls Enroll In Brownie Troop

Fifteen girls from two second grade rooms of Emerson school were registered in Brownie Troop 801 of the River Bluffs Girl Scout Council Monday.

The regular meeting was held Tuesday afternoon at the school and after discussing progress of the annual cookie sale, the girls rehearsed their investiture ceremony which is to be held in two weeks.

The leader, Mrs. Mary Frey, was assisted by Mrs. Louise Mshar. The entire Troop attended and the girls received their membership cards. They were Nancy Jo Ansley, Elaine Carver, Linda Cox, Dianna Decker, Eille Greathouse, Nancy Huffine, Sarah Lord, Janet Mikolaszuk, Sharon Morgan, Diane Lynn Mshar, Vickie Newton, Susan Olson, Carol Pettigrew, Debra Schmag and Helen Stotts.

Disabled Workers Advised To Protect Social Security

Ralph Brasher, manager of the Social Security district office in East St. Louis, said today that workers who are too disabled to work may lose valuable social security protection.

He explained that social security checks can wither away and lose much of their value if disabled workers do not protect their benefits. This loss would not only apply to the wage earner but also to his dependents. He stressed that disabled persons who are unable to work and whose condition is not expected to improve and who have not already contacted the district office should visit the East St. Louis Social Security office or have a friend visit the office on their behalf.

Brasher explained that disabled persons now need only five years of social security credits to meet the work requirements for this protection. "However," he said, "these five years must have been within the ten years just before the wage earner was forced to quit work because of his disability." The disability can be either a mental or physical condition, or combination of both.

Disability payments can be paid to any worker at any age under 65 if they meet the work requirements provided, of course, that medical evidence supports the findings that the worker is unable to engage in substantial gainful activity. If the disabled worker qualifies because of his disability, benefits can also be paid to his minor children and his wife.

The local area Social Security office is located in Room 300, 455 Missouri avenue, East St. Louis and remains open Monday through Friday from 8:45 a.m. to 4:45 p.m.

Refuse Dumping Along Canal To Be Halted By Arrests

Steps are being taken by the U. S. Army Engineer District in St. Louis, to curb the careless habits of some individuals who are dumping refuse along the Chain of Rocks Canal banks and particularly government property adjacent to Chouteau Slough road and levee access roads leading therefrom.

Col. Alfred J. D'Arezzo, district engineer, said that signs have been placed along the canal and pertinent road areas to remind those who have habitually used these areas for dumping. In some cases, he indicated a public menace is being created and that he has received the cooperation of city, county, and federal authorities to apprehend those who have been using government property unlawfully as a dumping area.

Col. D'Arezzo said that his organization has consistently tried to maintain good housekeeping along the canal, and he felt that practically everyone in the Quad-City area was proud of the locks and canal which is so important to national transportation media. It was built by the federal government as an investment in the future of the country. Col. D'Arezzo has enjoined all concerned to cooperate in keeping the canal area clean and maintaining a pride of ownership of one of the largest structures of its kind in the world.

Venice Band Concert Reset For Next Week

A "pop" concert by the Venice school band scheduled for tonight has been postponed until April 6 so that band members may appear in their new uniforms. Director Irwin Ballard announced this week.

Begin Scholarship Tag Sale Today At GC High School

Seventy-five students are on duty at Granite City high school today conducting a Scholarship Foundation tag sale as a preliminary to a street sale tomorrow and Saturday in which an estimated 300 to 450 young people are to participate.

The students are members of five high school groups which are cooperating with other local youth organizations in the fund-raising drive — the National Honor Society, the Student Council, the Letterman's Club, the Music and Gavel and the Red Peppers.

Five members of each of the school organizations began the drive before school this morning and conducted the sale during the lunch periods. The program is supported by school officials and was announced over the public address system yesterday.

Students were asked to explain the Scholarship Foundation's purpose and current activities to their parents, bringing their family contribution to school today if they so desired.

Reach More Families
Robert Toburen, president of the foundation board, said he feels the school sale will enable the foundation's Youth committee to reach a number of families which might otherwise be missed.

The Youth committee is sponsoring the tag sale.

These students are the ones directly affected by the results of the fund drive," Toburen said, "and they are going all out to help us."

The foundation has a goal of \$10,000 this year enough to work 25 scholarships of \$400 each. Working under the Youth committee, 30 local young people's organizations will conduct the two-day tag sale. Adult leaders will supervise each group.

Speakeading the tag sale fund drive are members of the Quon Du Tri-Hi-Y in Granite City, Mrs. Virginia Rickert, 1608 Courtney Blvd.

Groups Cooperating
Other organizations participating, in addition to the school groups, are Job's Daughters, HCCA young men's club, Zeta Epsilon sorority, and Tri-Hi-Y groups Quin Du, Gamma Omega Delta, Mu Tau Mu, G.O.D., Sigma, Pi Eta Pi, Fi Delta, Alpha, Delta, Delta Chi, Delta, Alpha and Iota Theta.

Proceeds of the tag sale will go directly to the scholarship fund. The foundation last year provided 13 scholarships of \$400 each to graduates of Granite City high school. This year, 25 applications are expected.

Chairman of the foundation Youth committee is Robert Toburen, who is assisted by members C. A. MacMillan and Earl Parsons.

Toburen said the Scholarship Foundation is certified under provisions of the Internal Revenue Code as a non-profit, tax-exempt organization, and contributions are deductible for income tax purposes.

Buncie Attending Fallout Shelter Analysis Course

Richard J. Buncie of the U. S. Army District Engineers at Granite City, is among 15 professional architects and engineers currently attending a two-week course in Fallout Shelter Analysis at the University of Colorado, Boulder, Colo.

The university has contracted with the federal government to train qualified architects and engineers from industry, government, and private concerns over the nation in methods of surveying and marking public buildings that would present good shelter risks.

The program is being conducted by the University Bureau of Continuation Education and College of Engineering. University faculty in charge are Leo C. Novak, professor of civil engineering, and Gale K. Vetter, associate professor of architecture and architectural engineering.

Those successfully completing the course will receive government contracts to survey potential fallout shelters in existing facilities in their own areas.

The course is part of the National Shelter Program, a plan to provide the greatest degree of protection for the largest number of the United States population at reasonable cost.

Completes Marine Corps Institute Course

Marine PPC Robert L. Chronister, son of Mr. and Mrs. H. W. Chronister of 2434 Ohio avenue, recently completed the Marine Corps Institute course in "Individual Protective Measures," while serving with the Third Battalion of the Second Marine Regiment, an infantry unit of the Second Marine Division at Camp Lejeune, N. C.

The institute's courses are provided for all Marines as an off-duty education system and courses offered are related to the Marine's specialty as well as general subjects.

REBEKAHS TO HOLD DISTRICT MEETING

Delray Rebekah Lodge 786 met Tuesday evening at the Odd Fellows hall in Madison, with 36 members present. Mrs. Virginia Galt, noble grand, presided over the meeting.

Mrs. Thelma Stockton gave a report on Thomas Widley, father of Odd Fellowship. The 26th district associational meeting will be held in Collinsville April 3.

The sessions will be held at 1 p. m. and during the evening.

Members of Delray will start their meetings at 8 p. m. instead of 7:30, as in previous months, it was decided.

At the conclusion of the business meeting, a committee consisting of Mrs. Ruby W. Moore, Evelyn Shasteen, Mrs. Lila Sanders, Mrs. Idell Gregory, Mrs. Stockton, Mrs. Verna Galt, Mrs. Cae Hannah, Mrs. Sadie Conway and Miss Margaret Brown served refreshments from tables decorated with spring flowers, in honor of the quarterly birthdays.

Mrs. Ella Finkler, Mrs. Chloe Maxon, Mrs. Leora Rogers, Mrs. Minnie Perry, Mrs. Lucille Veach and Charles Veach.

MRS. RHODES HOSTESS
Mrs. Deloyce Rhodes was hostess to the Chatter Canasta club in her home, 1339 Market street, Tuesday evening. Mrs. Sandra Pumphrey was welcomed as a new member.

Canasta was played with Mrs. Merle Gnoth being high scorer for the evening and Mrs. Matt Bosworth low. Prizes were awarded.

The hostess served a luncheon prior to the adjournment. Mrs. Gnoth will entertain the club members in her home, 1831 Second street, April 24. Other members present were Mrs. Annie Laura Platt, Mrs. Billie Bosworth, Mrs. Rae Miller, Mrs. Bernice Gushfield and Mrs. Sally Bosworth.

HONORED AT SHOWER

Mrs. Jacqueline Papa was complimented with a pink and blue shower Sunday afternoon. Arrangements for the event were made by Mrs. Helen Papa, the honoree's mother-in-law, and two sisters-in-law, Mrs. Helen Papa and Mrs. Louise Papa, in the Papa home, 1807 Third street.

A shower umbrella, decorated with pink and white crepe paper by Mrs. Agnes Onesi, was suspended over a basket which also was decorated and was filled with packages. Plastic swan were at each place setting as favors.

Lunch was served by the hostesses to Mrs. Papa, the honored guest, and Mrs. Barbara Dudak, Mrs. Onesi, Mrs. Shirley Kingsley, Mrs. Naomi Schwenkel, Mrs. Pat Shable, Mrs. Lucille Chah and Miss Terri Polley, all of the Quad-Cities, Mrs. Mary Sei, Mrs. Lottie Black and Miss Pat Edwards, all of St. Louis, Mrs. Ann Peete of Belleville and Mrs. Mildred Unverzagt and family of Wisconsin, Ill.

Games filled the remainder of the time, with prizes awarded to the winners.

CRADLE SHOWER
Mrs. Larry Smothers, the former JoAnn Nowicki, was honored with a pink and blue shower Sunday afternoon at the Polish Hall in Madison.

Mrs. Henry Nowicki, mother of the honoree, made arrangements for the shower, at which 53 guests were present. Many gifts were received.

Pink and white decorations were used throughout the hall, and a stock story was given in the basement of the church during May.

Mrs. Richardson presented a topic on "Dedication" after which a discussion was held.

The group then adjourned to the basement of the church, where the hostesses, Mrs. Wesley Clemons and Mrs. Lorraine Crighton, served refreshments to Mr. and Mrs. Robert Graves, Mrs. Avis Richardson and children, Mr. and Mrs. Albert Robertson, Mrs. Betty Ballentine, Rev. Russell Olsen and Mrs. Estelle McBrien, the class teacher.

The next meeting will be held at the church April 30.

Presentation of Teachers' Request Deferred To May

The Granite City school board Tuesday night agreed to a delay on receiving teachers' 1962-63 salary requests, and extended the delay even longer than asked, to the May 8 board meeting.

Supt. Harold M. Kaiser said Mrs. Helen Bjorkman, salary and policy committee chairman of Teachers' Federation Local 743, verbally urged that the committee be permitted to confer with the board April 24. At least two board members are to be replaced in the April 14 election, and the board plans to reorganize for the coming year on April 24.

Dr. Kaiser urged approval of the April date, saying he would have all necessary financial information ready for the board by that time. However, a discussion brought out the fact that two or three new members and one or two new officers to be seated that night, board members felt they would not be ready to consider teacher salaries immediately.

The May 8 date was approved unanimously on a motion by George Stidman and second by Ralph Fricker. The April 10 meeting was not considered due to the primary election that day.

Hope For Early Agreement

The superintendent said the teachers hope to have a contract agreement by May 15. The committee was unable to appear Tuesday night, as originally scheduled, because of Southern Illinois University registration and preparations for the state teachers' convention he reported.

It was not made clear whether the May 8 session will be limited to presentation of the request, or whether direct negotiations will be held with the board. In the past, the board has had the administrative staff handle negotiations, but some board members have urged that such talks be held with the board itself.

The first letter had asked that the subject be placed on Tuesday night's agenda. A second letter on the postponement, referred to a meeting with the board, it was reported.

Business transacted Tuesday included a report on detailed plans for conducting the board election.

Candidates Attend

Candidates Ralph Buse, Lester Kraft, Dan Lind and Thomas Kula attended and some took part in discussions during the evening. Candidates Clayton Creek visited the board office at the end of the meeting.

Teachers employed as school year included four assigned to English and social studies "block" classes, Charles Bueger, Route One, 1960 degree from Southern Illinois University and two years teaching experience; Miss Helen C. Geroff, 1962 State street, and Miss Shirley Ann Meyer, Highway 100, 1962 degree from Southern Illinois State College and three years experience.

Miss Joyce E. Gowan, Kane, Ill., 1962 SIU degree, will teach an elementary class and Miss Doris Mayberry, 2532 Central avenue, 1961 SIU degree, will be a kindergarten teacher.

The board accepted the resignation of Mrs. Edith Hedrick, secretary at Lake grade school, who has taken another position. The resignation is effective tomorrow.

Change On Test Requirement

After a long delay, the board decided to permit hiring of custodial applicants who pass either one of two tests: mechanical and manual aptitude. The tests were instituted several months ago, and only one had been tested so far passed both. The number seeking each custodial position was estimated by Dr. Kaiser at 150.

It was decided to hire a temporary chauffeur to replace an other chauffeur during ten days of good weather while the latter operates a grader on baseball diamonds, athletic fields and other school property. Fricker urged hiring of an operating engineer for the grading, but other board members said a precedent might be established.

Dr. Kaiser reported that a school carpenter, Austin Morgan, will be off work for at least six weeks due to a back injury.

State Committee Grants

Corn Support Extension

Due to the large quantity of corn which has not been harvested, the state committee has granted an extension of the corn price support availability date, Edwin C. Rethmeier, chairman of the Madison county ASC committee said today.

He continues that the final date for obtaining farm-stored loans or purchase agreements for the 1962 crop is extended from April 2, 1962 through May 31, 1962.

The chairman added that all loan documents must be completed by the closing date, and that producers making application for farm-stored loans must apply for the loan by May 20 in order that the inspector can make the inspection and the grading of the grain. The signing of the loan documents completed by the final date.

Census Bureau Will Conduct Sample Survey

A number of local families will be interviewed in a new sample survey to be known as the Quarterly Household Survey which the U. S. Census Bureau will inaugurate next Monday.

The purpose of the Quarterly Household Survey is to meet increased government-wide needs for additional current population and housing statistics. The increased need for survey data resulted in a workload which could not be handled by the Bureau's monthly Current Population Survey, which collects information on employment and unemployment as well as related population and housing statistics.

Two to four subjects will be covered each quarter in the new Household Survey. The initial survey will collect information requested by the Bureau of Labor Statistics, U. S. Department of Labor, for a detailed study of the unemployed. Unemployed persons will be asked questions designed to obtain information on patterns of employment and unemployment in recent years, kinds of jobs held, whether the unemployed persons intended to move to another area in order to get employment, and other workers' experience in the recurring function of the Quarterly Household Survey will be the collection of statistics on expenditures for residential alterations and repairs. Statistics from the surveys indicate that these expenditures total close to \$15 billion a year.

The Quarterly Household Survey will be conducted during the first ten days of each quarter in 333 sampling areas used for the Census Bureau's monthly Current Population Survey. This procedure will enable the Bureau to utilize the services of skilled, experienced Current Population Survey interviewers, simplify administrative problems, and reduce sampling costs.

Quarterly Household Survey interviews will be limited locally by qualified census enumerators. Census Bureau activities in this area are supervised by Theodore P. Olson, Regional Field Director, Bureau of the Census, 1211 New Post Office Bldg., 433 W. Van Buren St., Chicago 7, Illinois.

April Primary Spending

candidates to support an entire slate.

George M. Berry, a probate judge candidate, charged this week that the major slate has raised a "kitty" of \$40,000, but a party chairman told the Press-Record that the actual figure is closer to \$30,000.

The major grouping in the Democratic primary, as viewed by the opponents, consists of the "Big Four" for state office: County Judge Michael Kinney, Austin Lewis for probate judge, Harold M. Kaiser for sheriff and County School Supt. Wilbur R. L. Trimpe, plus three who are running for state office: Clerk Dale Hill, County Clerk Eulaia Hartz—who this week denied the charge that she was a Mussa for county treasurer, Alvin Fields is supported for state central committee by some of the backers of this group.

"Though the outlines of opposition are not yet complete," said Fricker, "the opposition is pretty clear. State's Attorney Dick H. Mudge Jr., running for state central committee, is openly helping Russell Shaver, county superintendent and aspirant. Mudge concedes that he is going to vote for Shaver out the vote" because of "complicated voters."

Shaver's Total

Fricker charged, a sheriff candidate, says that "almost all" of the money for Shaver was bought up a month before the filing.

S. Harold Roberts, also seeking the sheriff nomination, comments, "If you total the hundreds of dollars that are going to be spent by the voters, the amount would stagger you." Cling parry pressure on committee members says some want to help him but are "scared to death."

On the other hand, it has been argued that a certain amount of spending is an obvious necessity if a candidate is to become well enough known to have a chance for victory. To the charge that too much is being spent, in view of the salaries of officials, it is answered that all sheriff candidates of both parties have pledged to reveal their income tax returns if elected.

Hopes For Fair Weather

"It is an unhealthy condition when money can dominate a county politically," in the view of State Rep. Paul Simon, who sees the possibility that O'Neill may defeat him for state senate. "If it rains on election day," keeping home many individual voters but not diminishing the number hauled by paid workers.

"The maneuvering centers around the sheriff candidate," Simon says. "By this I mean no unfavorable reflection on any of the present candidates for sheriff. This tends to be true in any county, and is particularly true when there is a heavy concentration of open violation of the laws not many years back."

When the slate was organized and I was not on it, I contacted one of the Venice township leaders. The conversation went something like this: 'You know you're not on the slate, don't you?'

"I have a good idea," I replied.

No Special Vote On GC School Fund

The Granite City school district and the township school trustees for the former Namekoi township area have no plan to call a special election for Venice township land commissioners, who are to appoint a treasurer empowered to divide an estimated \$30,000 among the three districts proportionately on the basis of grade school attendance.

No other township in the county will have to hold a land commissioner election, it was reported.

It was decided to return unopened a single bid received on proposed purchase of electric water heaters.

By a 6-1 vote, the board purchased vocational shop equipment totaling \$3862 from 14 firms on the basis of low bids to specifications. Homer Huber dissented, noting that one of the bidders had a five-year record of filing cabinet, brought a \$172 bid from one firm and no quotation from another.

Monroe Worthen said he would have withdrawn his motion if it had been a separate item on which the board could have been returned due to lack of competition. Because it was a part of a long list of bid items, it was impossible to anticipate this and the amount bid is now a surprise.

He noted, he felt this would penalize the firm, Graham's Book Store, if new bids were sought. Also accepted were a bid of \$78 from Franklin Lee Co. of Chicago and a bid of \$108 from Peeries Ltd. Supply and \$108 from Bensinger on cafeteria equipment; \$1241 from Frankel, \$155 from Graham's and \$26 from Royal McBee on office and duplicating supplies, and on printing supplies, \$475 from Graham-Pierce, \$456 from Davis, \$460 from Kinno and \$135 from Double D.

Dr. Kaiser reported Trimpe's approval of plans for additions to Coolidge high school, and said he is urging the state to consider pupil and school auto traffic in plans for Namekoi road widening.

Group Wants Dismissal Of SIU Condemnation

A motion to dismiss in the condemnation suit of Southern Illinois University against land owned by the state at Edwardsville was filed this week in the circuit court at Edwardsville by the attorney for the defendants, Eldon M. Durr of Edwardsville.

Defendants in the petition for condemnation are Julius F. Shaffer, Alvin L. Hutcherson, Florence A. Hutcherson and Dan W. McGehee, county treasurer and ex-officio county tax collector.

The motion to dismiss alleged that the petitioners lack authority to select a site for a new campus for the old university located at Carbonate and that the power has not been delegated by the legislature. It also states the condemnation would permit a gross abuse of power under eminent domain act to allow the petitioners to condemn land in excess of the 1500 acres which it now has or controls or has the use of for educational purposes.

According to the motion, the university is a school of limited purpose and is not prohibited by law to give degrees in law, dentistry, pharmacy or engineering. There is no showing in the petition, the motion said, that the land would be necessary for a reasonable length of time.

Also filed by the defendants' attorney was a motion to strike the motion to advance for trial.

'Flapper' Operetta

Performances of the comic opera, "The Boy Friend," by Sandy Wilson are scheduled to begin Tuesday evening at 8 o'clock by members of the Granite City high school vocal music department.

In rehearsal for the past month, the operetta, which takes place at the jazz era, will be staged at the GCHS auditorium under the direction of Warren Simpkins.

About 70 students of the vocal and instrumental music departments at the high school will participate in the production, either as members of the cast, singing or dancing choruses or as a 14-piece dance band which will play from a "big" in front of the stage.

Assisting Simpkins with the two-night production are Miss Sandra Lierman, Mrs. Albert Frothingham, Eugene Alassi and Louis Meek.

The plot of the operetta is intermingled with "flapper-type" singing and dancing numbers fashionable around 1926, the time of the play.

The action is set in the French Riviera and centers around Madame Dubonnet's fashionable finishing school, where Polly, played by Beverly Jackson, falls in love with a delivery boy, Tony, played by Guy Lahr, while attending the school.

License Suspension

A suspension of driving privileges for Melvin E. Castleman, 2002 Fifth street, Madison, for reason of three traffic violations was ruled this week in Springfield by Secretary of State Charles F. Carpenter.

The latter filed by SIU attorney on March 22. In the motion to strike, it is alleged that the petitioner itself delayed the matter by filing amended pleadings after its original pleadings and by failing to answer interrogatories for three months.

Job's Daughters Bethel Holds Annual 'Beau Brummel' Night

tended the "Beau Brummel" night of Job's Daughters, Bethel Temple, Tuesday night at the Masonic Temple.

David Wilson was the "Beau" selected by popular vote of the Daughters and a "roaring twenties" party was the highlight of the evening.

Decorations were of red and white with candles lighting the checked-cloth covered tables where refreshments were served by Mrs. Earline Johnson, president of Job's Daughters Mothers' Club, assisted by other members of the club.

A stated meeting was held at 6:30. Miss Lana Rider, honored queen, in charge, and the party followed at eight o'clock group dancing to music of the "roaring twenties" period.

Attendees to Beau Brummel were Ricky Whitsett, Larry Lipe, Eldon Poole and Ricky Copeland.

"Guest night" will be observed by Job's Daughters at the April 10 meeting with the various stations filled by visiting officers.

Assessors' Annual Meeting Under Way

The annual meeting of township tax assessors in Madison county is being held today in the courthouse at Edwardsville with Dan W. McGehee, county treasurer and ex-officio supervisor of assessors in charge.

Packets will be distributed to prepare assessors for the assessment period which begins tomorrow. They will be given personal property assessment books and schedules which list methods for assessing property.

In addition, each assessor in rural areas will be given a quantity of county dog tags which will be sold as assessments are made. The fees are \$3 for female dogs and \$1 for male dogs.

Children Take Aspirin, Treated At Hospital

Three Granite City children, two to five years of age, were treated at St. Elizabeth Hospital at 9 a.m. yesterday after taking an unknown number of aspirins. All underwent stomach lavages and were released.

Gozina Inquest Held; Homicide Verdict

Deputy Coroner Francis Leahy conducted an inquest at 10:30 a.m. today at the Madison city hall into the fatal shooting on March 20 of Donald W. Gozina, 29, Mitchell street driver. The verdict was homicide, with a recommendation that Arnold Pratt be held for grand jury action.

Pratt, 27, of 211 Blythe road, Venice, was indicted for murder Tuesday afternoon by the Madison county grand jury, which was called back into session shortly before it was scheduled to present its report this week.

SOCIETY 175 Attend 25th Anniversary Fete At Third Baptist

A banquet was held Tuesday evening by the Women's Missionary Society and the Brotherhood of Third Baptist Church in observance of the 25th anniversary of the organization of the church. All charter members were invited as guests.

A springtime theme was used in the appointments and the tables were centered with a variety of spring blossoms in branched candle containers. Flowers were also used in candle wall brackets in the dining room. Approximately 175 attended the banquet served at 6:30 including 32 charter members.

After the introduction of the special guests corsages were presented to the oldest and the youngest charter members, Mrs. Catherine Rees and Mrs. Dorothy Gifford.

A memorial to 49 deceased charter members was conducted by Mrs. Helen Carrington and Bill Rainwater sang the solo "Sunrise".

Mrs. Pauline Weir, church clerk, gave the church history and Miss Lenox Haynes sang an appropriate song. After a talk by Rev. W. L. Shovers, pastor of Second Baptist Church, a mock wedding was held and several skits were given. There was special music by Mrs. Helen Carrington, Mrs. Izetta Stayduhar and Mrs. Frances McEwen, who sang "Bless This Church" and selections by "The Home-Stealers," a string ensemble from the Pontoon Baptist Church, and by a "hill billy" band from Third church, accompanied by "sing along with Mitch," Miss Judy White. Prayer by Rev. W. J. Richardson, Association missionary, closed the program.

Rev. Howard White is pastor of the church which was organized April 18, 1937, in the McKinley school auditorium with 97 members. The charter was left open for a period of 30 days and at the end of the period the charter membership consisted of 164 members. The present membership is 352. Rev. Howard White is pastor of the church.

Rites For Jerry Bush, Brother Of Mrs. Gibson
Funeral services were conducted yesterday at an Edwarsville funeral home for Jerry D. Bush, 63, of Route One, Poag, a brother of Mrs. Josie Gibson of Mitchell. Interment was in Sunset Hill Cemetery.

Mr. Bush, a section foreman with the Washburn railroad for 23 years, died Monday at 8:45 a.m. at his home.

Surviving, in addition to Mrs. Gibson, are his wife, three daughters, another sister, two brothers and a half-sister. Two brothers preceded him in death.

Motorist Charged With

Leaving Scene Of Crash

A warrant filed by police charging him with leaving the scene of an accident was served yesterday evening at police headquarters on Joseph A. Graham, 39, of 2253 Benton street, who police said was involved in a crash in which two parked cars were damaged Tuesday night about 9:30.

Graham posted his driver's license as bond and was released for a hearing Saturday. Police said a headlight rim found at the crash scene in the 2100 block of Edison avenue matched Graham's car.

The damaged parked cars belonged to J. H. McDonald, 2115 Edison avenue, and Willie Pounds of East Allen. Pounds' car was struck and knocked in to McDonald's car.

New Resuscitation Method Supported

Quad-City Safety Council members were in agreement during a meeting Wednesday that mouth-to-mouth resuscitation has been proven to be the most successful means of restoration. They voted to buy a demonstration "doll" for training purposes. The "doll," which costs \$179 is to be used in demonstrations locally in connection with a mobile on mouth-to-mouth resuscitation also to be made available to local organizations. Merrill Cox, president of the Safety Council, said members will be trained to give the demonstrations. It was pointed out that trained personnel at Dow Metal Products Co. recently received a man overcome by carbon dioxide. The "doll," a life-size model of a man, is the method used in the demonstration. Announcement will be made when it is received and Safety Council members are ready to give the demonstrations.

NEIGHBORHOOD GIRL SCOUT LEADERS MEET

Mrs. Helen Miller, chairman of leaders of Neighborhood Five, River Bluff Girl Scout Council, met Tuesday evening at the Nameoki Presbyterian Church. A tree-planting session is planned for April 7 at 2 p.m. in the park behind the Nameoki fire station.

Mrs. Joan Lybarger is chairman of this committee and she will be assisted by Mrs. Wilma McQuinn, Mrs. Margaret McCullis, Mrs. Jerry Jackson and Mrs. Alma Cowan.

Members of the park board are expected to be there, and Mrs. Shirley Brown as district well as Dr. Roda, whose family representative will attend as formerly owned the property and gave it to Nameoki. The city later transferred it to the park district.

A report was given on a standard first-aid class to be taught at St. John United Church of Christ by Mrs. Betty Rea. There will be two sessions, one on Tuesdays and one on Thursdays. Tuesday sessions will be held April 10, 17 and 24 and May 18, and Thursday sessions on April 12, 19 and 26 and May 3 and 10.

A basic outdoor training session will be held at Camp Lakota April 23 and 24 and all participants must register with Mrs. Elsie Rodell by April 1.

Mrs. Lybarger announced that Mrs. Esther Zimmer will give individual troop talks on the Martin award. She presented a pin to Mrs. Edna Bono for her service as neighborhood chairman.

Mitchell school troop leaders served refreshments to representatives from Troops 282, 261, 271, 338, 282, 30, 226, 38, 112, 153, 152, 121, 277, 280, 107, 287, 578, 800 and 189. The next

meeting will be April 24 at the church, and leaders of the Cooledge troops will serve as hosts.

OAKLAWN TERRACE LADIES GROUP MEETS

Mrs. Maurine Anthony entertained the Oaklawn Terrace Ladies' Group in her home, 29 Oaklawn, yesterday.

A dessert luncheon was served, and Mrs. Anthony used a tree decorated with miniature Easter hats as the table centerpiece. The hats were later given as favors.

Those present were Mrs. Tomasa Kirchhoff, Mrs. Lucille England, Mrs. Judy Dudley, Mrs. Margaret Ann Belcher, Mrs. Bess Causey, Mrs. Olive Chapman, Mrs. Cleo Peig, Mrs. Myrtle Hickman, Mrs. Gerry Jackson, Mrs. Irene Louis, Mrs. Joyce Matson, Mrs. Mary North, Mrs. Marie Plesse, Mrs. Esther Schermer and Mrs. Meba Tarpoft.

Mrs. Causey has invited the group to meet with her April 25 in her home, 19 Oaklawn.

MRS. BEROSKY HOSTESS TO JOLLY LOSERS

Mrs. Katherine Berosky entertained the Jolly Losers club in her home, 2812 Wayne avenue, Tuesday evening for a monthly meeting. Winners at the pin-ochle table were Mrs. Ann Turnbull and Mrs. Sadie Mitcherson, and canasta winners were Mrs. Mary Struttman and Mrs. Mildred Rutledge.

The four winners were presented with prizes by the hostess, and a late luncheon was served by Mrs. Berosky to the winners of the games and Mrs. Mary Kubelka and Mrs. Mary Eaden.

The next meeting of the club will be April 24 at the home of Mrs. Struttman.

MUSIC FOR NAMEOKI BAND PARENTS TONIGHT

Joseph Owens, band instructor, will conduct a musical program this evening at 7:30 at Nameoki grade school for the Nameoki Band Parents Association.

The meeting will be held in the gym instead of the cafeteria due to the program. Students participating will be those who are going to Belleville Saturday for a district band contest. Mrs. Dorothy Wallace, president, will conduct the meeting and the main item of business will be a discussion and decision where to take the band students for their annual trip.

LYDIA CLASS MEETS WITH MRS. BRACKETT

Mrs. Bea Brackett entertained members of the Lydia class of the Third Baptist Church Monday evening in her home, 2301 Gary avenue.

The hostess, who is also the president, conducted the meeting and reports were given by Mrs.

termed non-inflationary and in accordance with President Kennedy's appeal for a no strike and wage-price stability. There is a provision for wage reopening at the end of the first year, it was reported.

Locally, Granite City Steel Co. and the United Steelworkers previously have agreed to abide by "big steel" settlements with local issues to be negotiated here.

Louis S. Kismer Ruled Hanged; Found Suicide

Louis Samuel Kismer, 40, former Nameoki township justice of the peace who was elected Madison police magistrate last April, but resigned a short time later because of ill health, was found hanging at 12:15 p.m. yesterday in his mother's garage at 2841 Warren street. His death was ruled suicide.

He was discovered by his mother, Mrs. James H. Tate, hanging from a joint by a piece of white plastic-covered clothes line which was tied around his neck. Mrs. Tate called a neighbor, John Gage, of 2834 Warren, who cut Kismer down and removed the line from his neck.

Police and an ambulance were summoned, and Kismer was pronounced dead on arrival at St. Elizabeth Hospital at 12:20 p.m. Mrs. Tate said she had been shopping downtown since 9:30 a.m. and found her son upon returning home.

Inquest This Morning
Deputy Coroner Francis Lohrey conducted an inquest this morning, ruling that death was caused by strangulation from hanging, and that it was suicide. Only testimony at the inquest was that of Mrs. Tate.

Mr. Kismer, who resided at 1907 Harris street, Madison, was elected Madison police magistrate last April 18 to succeed John Gitchoff. Previously, he was a Nameoki township justice of the peace until that office was abolished last spring. He had served informally in the magistrate's position at Nameoki, as county assistant state's attorney, and as Madison police magistrate. Mr. Kismer became ill shortly before the election, and never took office. The Madison council accepted his resignation last May 2, after he submitted a letter resigning "on advice of medical authorities and for reasons of health."

The illness forced him to retire from his position as commercial agent for the Chicago & Northwestern railroad. He had worked 20 years. He had also served as toll collector on the Chain of Rocks Bridge.

Mr. Kismer was a member of the First Baptist Church of Madison, and belonged to the Traffic Managers' Club and several railroad organizations. He was born at Carversville, moving to Madison 32 years ago.

Surviving is his wife, Mrs. Rose Kismer; a son, Richard, 18, a daughter, Judith Ann, 15; two sisters, Mrs. Jack (Pauline) Hest of Madison, and Mrs. Joseph (Florence) Kutz of Venice, and his mother.

Funeral arrangements are given in the obituary column.

George Schuerger, 74, Stricken In Yard, Dies
George J. Schuerger, 74, of 2410 State street, was dead on arrival at St. Elizabeth Hospital at noon yesterday after being stricken suddenly with an apparent heart attack in the yard of his home.

A daughter, Miss Elva Schuerger, with whom he made his home, said Mr. Schuerger had been under medical care for the past year for a heart ailment. She said he had gone out to enjoy the fresh air when he was stricken.

Mr. Schuerger was a foreman at the General Steel Industries plant here until his retirement nine years ago. He had been employed there since 1917.

He had been in a Granite City residence 45 years, after spending most of his younger life in East St. Louis. He was a member of St. Joseph's Catholic Church.

Surviving, in addition to his daughter, are his wife, Mrs. George Schuerger of East St. Louis, and several nieces, nephews and cousins. His wife, Frances, preceded him in death in 1929.

Funeral arrangements are given in the obituary column.

\$180,000 Damages Sought From GC Woman

Named defendant in a six-count, \$180,000 damage suit filed Wednesday in the Circuit Court is Grace Aquilone, driver of a 1957 Buick.

The suit was filed by Rose Aquilone, administrator of the estate of the late John Aquilone, on behalf of herself and her deceased husband, who was the driver of an auto which occurred on March 29, 1960, in Indianapolis.

The plaintiff charges that Grace Aquilone, driver of the car at the time of the accident, drove at an excessive rate of speed with improper brakes, failed to decrease speed upon approaching an intersection and disregarded a stop light, striking another vehicle.

As a result, she claims, she and John Aquilone suffered serious and permanent injuries, and John Aquilone died about one year following the accident. Both he and the plaintiff were passengers in the car operated by Grace Aquilone, the suit states.

GC Man Reports Being Assaulted Early Today
John Painter, 27, of 2417 East 25th street, reported to Granite City police that he was being treated for cut lip in the emergency room at St. Elizabeth Hospital early today that he had been assaulted by two men when he stopped his car for traffic at 16th street and Madison avenue. He was unable to describe his assailants.

Painter said he was sitting in the car when two men walked up to him and one reached through the car window and grabbed his arm. Painter said he climbed out to see what was going on and the pair kicked and struck him, knocking him unconscious. When he revived, the men were gone, he said. He was unable to give any explanation for the attack.

150 Attend GC Demo Club Candidate Night

Candidate night was observed last night by the Granite City Democratic Club with 150 persons attending the program conducted in the YMCA auditorium by William Warfield, president.

The featured talk was by State's Atty. Dick H. Mudge of Edwardsville, who is a candidate in the April 10 primary for state central committee; and there also were brief talks by opposing candidates for state senator, Patrick S. O'Neill of Alton and State Rep. Paul Simon of Troy. Mudge told the audience, one of the largest to attend a local Democratic club meeting, that by his election to the committee, he planned to seek all-state Democratic control for the entire committee. "Right now," he said, "it's a rubber stamp for the mayor of Chicago, and it's time to move the state capital from Chicago back to Springfield."

O'Neill pointed out that Simon had opposed the Edwardsville campus for Southern Illinois University, and that he was against a bill to outlaw Mosaic Cemetery.

Reply, Simon said he worked for the establishment of the campus in Madison county, but was against "the unrealistic and impractical idea that he did not favor dragging, but that was told by committee members proposing the bill. It was doubtful that it was constitutional and that the state had no control laws, if properly enforced."

Gene Jote, secretary for Congressional Society, said that candidates spoke briefly during the three-hour meeting. They were: Mayor, Madison, Robert M. Miller, Casner Club; Leonard J. Kennedy, James E. Walker, John J. and Sam Paul Drenowak.

Sheriff candidates Barney F. Harold, Robert and Fred Craycraft also spoke as did Wilbur R. L. Trimpe and Russell G. Salter, candidates for county superintendent of schools; Arthur Wendler and Leslie Lewis, candidates for probate judge; Michael Kinney, candidate for county judge and Governor Mullan, unopposed candidate for county treasurer.

Following the talks, the club members voted not to endorse any particular candidates since it was a primary election and all are Democrats. Coffee and doughnuts were served.

Clothing, Spare Tires Stolen From Autos

Clothing and spare tires, taken from automobiles, were reported stolen Wednesday night from a car along with the theft of an auto and a blanket.

Police were told at noon yesterday that several accessories had been taken from cars at Lynnwood Auto Sales, 1725 Madison avenue, during the past week. Missing items include a set of fender skirts, a radio, and a vent window from one car and a hubcap from another.

A Granite City Engineer Dept. soldier lost considerable clothing to a thief who looted his car as it was parked at a car lot near the restaurant near Mitchell on Route 3.

David Mannen of Springfield reported to county authorities at Edwardsville Tuesday night that a glass in his car had been broken, and that a man was entering the car. The man was wearing a suit and was carrying a briefcase. The man was seen to enter the car and was seen to leave the car. The man was seen to enter the car and was seen to leave the car.

Approve Architect Contract
As its first item of business, the board unanimously approved the contract with the firm of Henry Gabriel and Sylvester Duggeroff as architect for the Coolidge project.

School Attorney Maurice Dalley reviewed details of the contract, which specifies a fee of 1% on abandoned work, plus 1% for construction supervision, plus 1% for extra costs resulting from abandonment and resumption.

A \$3000 partial payment to the architects was approved.

Bi-State Transit Study Field Work Completed

Field work is complete in an appraisal of the metropolitan area's transit lines, and a report on their estimated value should be ready in April, according to R. E. Smyser Jr., executive director of the Bi-State Development Agency.

The Bi-State Agency sponsored the study to determine the feasibility of buying the present transit firms and operating a single mass transit system to serve the entire metropolitan area. W. C. Gilman & Co. of New York is making the survey.

Smyser said the Gilman firm's report also will include an estimate of the cost of which he expected from the operation of the transit system.

Upon receipt of the report, Bi-State will ask a financial adviser to determine whether a revenue bond issue could be passed to finance purchase of the 15 separate privately owned transit companies now serving the area.

PROCLAMATION

WHEREAS, cancer strikes families in every city and town of our state; and

WHEREAS, cancer will claim the lives of some 270,000 Americans this year; and

WHEREAS, the American Cancer Society, through its programs of research, education and service, has helped save the lives of more than 1,000,000 Americans, alive today, cured of cancer, and candidates for one-half of all cancer patients could be cured, with research offering the prospect of new cures and the hope of future cancer prevention; and

WHEREAS, increased voluntary contributions to the American Cancer Society are needed to attain these aims, therefore,

BE IT RESOLVED, that every citizen of the Quad-Cities be urged to observe and participate in Cancer Control Month, through support of the American Cancer Society, and by learning the facts about cancer, vital to personal protection from this disease.

Also assisting the young people were Foundation President R. L. Toboren and Harold MacMillan, Youth committee member.

American National Bank Gains in Size Ratings

The American National Bank of Granite City, in operation at Nameoki and Fehling roads near March 20, 1959, has "jumped" 1330 places, according to "American Banker," a daily newspaper of the banking profession which together with Polk's Directory annually make all commercial banks in the United States according to size.

Harold F. Karandjoff, president of the bank, said the latest size rating will place the American National Bank "in the 8000 group."

Karandjoff added that the bank has plans to increase its building size also. They include doubling the size of present campus parking facilities.

Plumbing and heating combined — Gallows-Von Gruenigen, Granite City, \$30,014; and Markly Plumbing and Heating, Madison, \$31,020. Heating only — Tri-City Heating and Conditioning, Granite City, \$21,834; and Kremer-Hicks Co., East St. Louis, \$22,222.

Two bids of those of Markly and Gallows-Von Gruenigen, were received after the 4:30 p.m. deadline but before the opening of bids at 7:30 p.m. Tuesday.

The board informally waived the requirement that no seals had yet been broken.

Approve Architect Contract
As its first item of business, the board unanimously approved the contract with the firm of Henry Gabriel and Sylvester Duggeroff as architect for the Coolidge project.

School Attorney Maurice Dalley reviewed details of the contract, which specifies a fee of 1% on abandoned work, plus 1% for construction supervision, plus 1% for extra costs resulting from abandonment and resumption.

A \$3000 partial payment to the architects was approved.

Bi-State Transit Study Field Work Completed

Field work is complete in an appraisal of the metropolitan area's transit lines, and a report on their estimated value should be ready in April, according to R. E. Smyser Jr., executive director of the Bi-State Development Agency.

The Bi-State Agency sponsored the study to determine the feasibility of buying the present transit firms and operating a single mass transit system to serve the entire metropolitan area. W. C. Gilman & Co. of New York is making the survey.

Smyser said the Gilman firm's report also will include an estimate of the cost of which he expected from the operation of the transit system.

Upon receipt of the report, Bi-State will ask a financial adviser to determine whether a revenue bond issue could be passed to finance purchase of the 15 separate privately owned transit companies now serving the area.

TAG SALE PREPARATIONS — Working on the two-day tag sale to begin tomorrow is Don Wiggins, Eleanor Rickett; Foundation Youth Committee Chairman Harold Thomas, Andrea Gasparovic; Mrs. Virginia Rickett, adviser of the Quin Du Tri-Hi-Y which originated the plan, Vicki Andria, Anita Schroeder and Jerry Siers. Also assisting the young people were Foundation President R. L. Toboren and Harold MacMillan, Youth committee member.

Tentative Venice Twp. Budget Increased \$1000

The tentative 1962-63 budget of Venice township was raised \$1000 to \$184,673 at a public hearing Tuesday night. With a legal fight in prospect on the East St. Louis & Interurban Water Company's tax assessment, the miscellaneous services fund was boosted by the \$1000 amount to \$2515. Supervisor Arthur W. Moore explained.

The new proposed total for the town fund is \$24,635. The general assistance appropriation is still listed at \$144,965, with \$5015 budgeted for the retirement fund. A brief discussion was held on proposed submission of an ordinance to the board of supervisors to incorporate parts of the township at the annual town meeting next Tuesday, when Edmond Cook.

electors also will act on yearly reports and the new budget and tax levy.

Those present at the hearing were Mayor, Town Clerk Thomas Foley, Board Members Stanley Karkowicki, Albert Topal and Lawrence Punt, Assessor Joseph Bergrath, Road Commissioner Frank Kinack and Attorney G. Edmond Cook.

Hits Barricade, Flees
Billy J. Smith, 22, of 2030 Sken street, East Madison, was arrested by Madison police at 9:55 a.m. today on a charge of careless driving after his car struck a barricade on Madison avenue at Fourth street and he failed to stop. Police saw the incident and pursued Smith, stopping him in the 2000 block of Sken street. He posted his driver's license as bond.

Truck Damaged In Crash
A collision at Second and Hampton streets, Venice, at 5:10 p.m. Tuesday damaged the rear side of a westbound Tri-City Truck Co. truck driven by Clyde B. Davis, 2580 East 77th street. Also involved was the northbound auto of Idus Henson, 24 Venice Homes, who was turning right to enter Hampton.

GC Man, 2 Fugitives Arrested At Roadblock

Two men, wanted on a variety of charges in Missouri, were arrested at a roadblock on State Route 111 near Washington Park in St. Clair county last night, and a third man, identified by authorities as Alvin Hacker of Kaseberg lane, Granite City, who was driving the car, is being held in the St. Clair county jail in Belleville for questioning.

Arrested at the roadblock by Illinois State Police were Robert R. Willis, 27, who authorities said is an escapee from a Missouri penal farm where he was serving a 10-year sentence for theft; and Donald Gene Durham, 33, who is wanted on bad check and burglary charges in Missouri by the FBI, St. Louis and Padgett police.

State police stopped the car in a routine check when it was noticed that a license plate was hidden by the rear bumper. Inside the car they found a number of electric power tools, a paint sprayer, a portable radio and an electric fan.

The St. Clair county sheriff's office said this morning that Willis and Durham have admitted obtaining the items in a burglary of a hardware store in Newburg, Mo. They are undergoing further questioning in Belleville today.

the maximum fee not to exceed \$27,500 for either revenue or general obligation bonds. The agent is to work with city officials to determine a rate ordinance schedule for residential, commercial and industrial users of the new services to pro-

duce revenues sufficient to amortize the bonds with an adequate margin of safety after determining the financial feasibility of the project. Other services will be preparation of notices, a comprehensive prospectus, determination of the proper time for the sale of bonds, paying the cost of printing the bonds and notice of the sale and working out a program of investment of bond proceeds in order that the city may get the benefit of maximum interest earnings until the time of disbursement. For its legal services, the firm of Moran, Beatty & Hiscot

would charge a fee of \$7500 for a bond issue over \$1,000,000 and .0025 of the amount in excess of \$1,000,000. The Citizens' committee has recommended a revenue bond issue of \$7,800,000 to cover the \$9,925,000 project, which would boost the maximum for the local firm to \$24,550. Favorable Votes Aldermen favoring the resolutions to proceed with preparations for the bond ordinance were Refus LeMaster, Donald Partney, Estill Von Schmittou, Paul Rutledge, Samuel Whitmer, Mrs. Gabrielle Betinec, Frank

Veseli, Edmund Bartosiak, Joseph Cuvor and Ford Johnson. Mayor Davis also voted "aye." Alderman Charles Meyer was absent. Nann, who has opposed the Citizens' committee recommendation from the start, was first to criticize again. "You're not going to get anything from the levee board," he stated. He said the fiscal agent will discover "three things — there'll be no aid for the city from the levee board, any cut in the \$250 monthly rental fee for Nameoki district officials that \$180,000 sanitary sewers will be opposed by the firm which sold those in

revenue bonds and that there's nothing to help the people in Nameoki." It has been brought out the Nameoki drainage ditch width is to be doubled in size east of Victory drive to speed drainage in the area and that separation of storm water and sanitary sewage in the older, combined sewer system in Granite City proper will eliminate sanitary sewer backups at lift stations in the Nameoki sanitary system during heavy rains. Also, the citizen group was told by levee district officials that \$180,000 in levee district funds would be

made available. However, the city itself has made no official application for levee district funds. Mrs. Betinec followed Nann and stressed that if the city did not proceed with a joint drainage relief and pollution abatement program, but first built a large sewage treatment plant and then in later years proceeded with storm water relief, the costs would be five times greater. "It's up to the council to lead the community on the right course," she said, adding that the council "must assert its

leadership. You must face the facts honestly." She pointed to economic losses in the community through the lack of adequate drainage facilities. "This is a test to separate the men from the boys," she told the council. Alderman Skubish said the program was "not stretched far enough and fails to include anything for the Nameoki area other than to widen the ditch." He was told by Schmittou at 1:35 p.m. Monday, the rear of Mrs. J. E. Mahoney, East to Alton, Venice police were informed.

Accident At Crossing

As John H. Sanders, St. Louis, stopped at the Broadway railroad crossing when gates lowered at 1:35 p.m. Monday, the rear of Mrs. J. E. Mahoney, East to Alton, Venice police were informed.

Physician-Minister Conference Set April 5

Rev. Donn W. Ketcham, M.D., chief resident in general surgery at St. Mary's Hospital, Grand Rapids, Mich., will be the principal speaker at the Physician-Clergy Conference on Counseling the Heart Patient, to be held April 5 at the Franklin Masonic Temple in Alton.

Members of the arrangement committee are Dr. Benjamin B. Berman, local physician, and Rev. Arvin Twilmyer, pastor of Concordia Lutheran Church here.

Dr. Ketcham's topic will be "The Black Bag and the Bible meet at the Bedside."

The purpose of the program is to bring about a better understanding and closer cooperation between ministers and physicians in dealing more effectively with persons suffering from heart ailments.

Ministers and physicians in Madison, Bond, Calhoun, Greene, Jersey and Macoupin counties are being urged to attend the one-day conference. The program chairman is Dr. Robert Rutherford of Carlinville, and Dr. Robert Elliott, president of Region 11 Planning Board of the Illinois Heart Association.

The program will start at 9 a.m.

Cochrane Sells Homes \$21 MILLION—1900 HOMES "SOLD" THE PAST 8 YEARS

The regional office of the state, Department of Mental Health is in urgent need of temporary homes for about 500 children in a 10-county area, including Madison county, because natural parents are not able to care for them as a result of physical illness, mental illness, desertion or death, it was pointed out this week by Alfred Y. Armstead, regional director.

The regional office, located in the First Federal building, 435 Missouri avenue, East St. Louis, has assigned Mrs. Catherine Strow to develop foster families for the agency. "Our need for foster homes is a great one and we need many new foster parents to provide family living for the children who have been referred to our agency by the courts in the 10 counties," Armstead said.

The director and Mrs. Strow are hopeful Quad-Cityans would lend assistance in the program "offering their home as a boarding home for a child or children whose natural parents are not able to provide for them at this time." They pointed out boarding homes are needed for both white and Negro children.

Factual information concerning foster families, compiled by the regional office follows:

"What is a foster boarding home? It is a normal home in a family, substituting for the child's natural family. This means that both foster mother and foster father take an active interest in the child and it meeting his needs.

"Where do foster parents do? To foster means to nourish, cherish, and to encourage. Foster parents not only provide food and shelter for a child, with agency help, but give him love and individual consideration. This is the only way he can start to grow-up emotionally.

"Who are the children needing care? They are children of all ages, referred to us by parents, courts, or other agencies. They are often children whose need for affection has gone unmet or who have been misunderstood. Sometimes they have difficulty in getting along with their parents or with other children, or in understanding themselves. Children are real people with feelings, worries and fears. Sometimes they have behavior problems which require understanding and patience in handling.

"How long may they stay in a foster home? The length of time for each child depends upon his own needs and plans for him. They may be for a few months or a year or more. These children are under agency supervision and their situation is such that they are seldom available for adoption.

"Do the parents of the child visit in the foster home? Arrangements are made in each individual case to suit the best interests of the child. The natural parents are encouraged and helped to feel responsible for their children so that the family can again be united. In some situations the parents do visit. In the foster home, in others, the foster parents may bring the child to the agency office for visits with his parents and in others, the child may go home for short visits occasionally.

"What requirements must fos-

ter parents must be in order to care for a child? First of all, the foster family must really love children, enjoy having them around, and have plenty of patience with them. Their home life should be normal and happy.

"Their income should be adequate to meet the basic needs of their own family. They should have sufficient sleeping space so a child will have his own bed and the family will not be crowded. Beds in living room or dining room would not be acceptable.

"All members of the family should be in good health and have sufficient energy to enjoy an active child or a baby who may cry at night. A medical statement from their doctor as to the health of all members of the family is required.

Foster mothers should not have employment outside the home.

"What are the satisfactions in being foster parents? They parents watch a child grow and contribute to that growth. What could be more satisfying than to take a child who has been deprived and unloved and to see him gain security in his new home, to see him begin to be able to love, to lose his fears, to gain confidence with other children.

"On the other hand, being foster parents is not easy because the changes and improvements in a family are sometimes slow and we do not expect them to say thank you, but the foster parent reward comes from a job well done.

"How to apply. Call or write Division of Child Welfare Services, 508 First Federal Building, East St. Louis, Ill. Telephone: SE 4-1000 and ask for Mrs. Catherine Strow."

Half-Month Salaries, Bills Total \$47,620

A weekly bill list of \$7694 and a half-month payroll of \$39,928 total \$47,620—were approved Monday night by Granite City council members during a brief meeting which preceded committee sessions Monday night.

Included on the bill list were payments totaling \$857 for maintenance and fuel for city equipment; \$733 paid to Melvin Paschen for maintenance of the city dump in March; \$28 paid to the U.S. Treasurer as the city's share of labor and equipment at the pumping station; \$261 paid to Macair Asphalt Corp. for 29 1/2 tons of cold mix, and \$4513 paid from motor fuel tax funds to City Engineer David J. Johnston as partial payment for services in the preparation of right-of-way strip maps and individual parcel plats and descriptions for the Hannibal road project.

Allowances on the bill list included \$44 paid to Holiday Service for round trip air transportation from St. Louis to Chicago for Mayor Davis; \$30 paid to City Atty. William Beatty for expenses of a trip to Springfield; and \$30 monthly expense payments to the following aldermen: Steve Basarich, Joseph Clavar, Earl Johnson, Ralph LeMaster, Charles Meyer, Casmer Skubish, Samuel Shackelford, Samuel Whitmer, Walter Norton and Paul Rutledge.

Other allowances were \$50 to Assistant Fire Chief Curtis Donley and Police Chief Raymond Willard for use of their private autos on city business.

Kiwanians Commended On Spastic Program

Granite City Kiwanians were commended for their support of the spastic program Monday night by Allen Barnett of Alton, Kiwanis district lieutenant governor, who was a guest at the local club's regular weekly meeting.

Barnett urged the club's members to continue their spastic support project, under which each member has contributed \$2 annually for the past 10 years. He also asked the children to encourage youth programs and to be active citizens in general.

The Kiwanis official reminded the club of the spring fellowship meeting to be held April 10 at Edwardsville and the international convention to be held at Denver in April.

Francis Judd introduced a guest, Harry Freedland of Philadelphia, and Joseph Aquaviva reported on the interclub meeting at Glen Carbon last Thursday.

President William Herman presided over the meeting, which was followed by a board of directors meeting and a joint meeting of a Bow Line Boat Club committee and the Kiwanis Special Events committee.

The latter meeting was concerned with programs, tickets, posters and other plans for the second annual Kiwanis-Bow Line Boat Races scheduled for Aug. 12.

11-Week Summer Term At SIU For New Freshmen

All new freshmen registering in the 1962 summer session at Southern Illinois University's Edwardsville campus will be enrolled for the period June 18 through Aug. 31, in the school's first 11-week summer session.

William T. Going, academic dean, said the extended summer session—for freshmen only this year—may be expanded to include sophomores next year, juniors, the next and seniors the following year.

He said SIU has been working toward this goal for several years. With limited appropriations available, the board of trustees has approved the longer summer session for new freshmen as a step toward full time use of all facilities as one answer to steadily increasing enrollment.

Major changes from last year's summer schedule, Going said, are a 45% increase in the course offerings at the East St. Louis center and the placing of all freshman level courses in the 11-week program.

Other courses will remain on the usual eight-week arrangement, to be conducted June 18 through Aug. 10. New freshmen must enroll for the extended session this summer, but other students have a choice of eight or 11 weeks, or a combination of the two.

There were 1524 students on the Edwardsville campus last summer. An additional enrollment is anticipated this year for the 161 course offerings and seven special workshops. The majority of classes are scheduled in the mornings, but there will be some night and afternoon classes.

It is hoped that funds will become available so that eventually the entire summer program can be placed on an 11-week pattern, Going said. "This will allow students to complete as much work during the summer as they can in a regular quarter."

YOUTH OF THE MONTH
March, Granite City high school senior Bob Cruse, who was selected by members of the Daybreak Optimist club.

Robert Cruse Named 'Youth of the Month'

A Granite City high school senior who is president of his class and plans to teach upon graduation from college has been selected as 'Youth of the Month' by members of the Daybreak Optimist club.

He is Robert Cruse, son of Mr. and Mrs. Wilbur Cruse of 1624 Spring avenue.

Cruse is a member of Masque and Gavel, the National Honor Society and the Lettermen's club at GCSS. An outstanding high school wrestler, his is a two-time district and sectional champion, and won titles at his weight in the Normal U. high school and Granite City Invitational tournaments. He earned a letter in varsity football and wrestling during his junior and senior years.

Doctor's Day To Be Observed In County

The Madison County Medical Society will observe National Doctors' Day tomorrow and in honor of the occasion members will wear red gift carnations presented by the Woman's Auxiliary to the County Medical Society.

As another Doctors' Day event, the Auxiliary will make a contribution to the American Medical Education Foundation as a tribute to county physicians. The Foundation, sponsored by the American Medical Association, distributes cash contributions from physicians and Auxiliary members to medical schools to meet financial problems of medical education.

The first Doctors' Day was held in 1933 in Georgia to commemorate the date in 1842 when Dr. Crawford W. Long of Jefferson, Ga., first used ether in surgery.

Madison Student Practice Teaching

Miss Nina Purdes, 1630 Sixth street, Madison, is among some 100 Illinois State Normal University students who will be engaged in practice teaching in some 84 schools throughout Illinois early in April. She has been assigned to the third grade in the Butler school in Springfield.

A student must complete satisfactorily at least 70% of the class work for a bachelor's degree to be eligible for student teaching, as well as pass certain qualifying examinations.

4 Local Students Get Scholarships

Four Quad-City area students have been named recipients of state teacher education scholarships, 13 of which were awarded in Madison county, supplementing the initial list.

The students are Joyce Bettendorf, Joyce Elaine Dineff and Antoinette Stodick, graduates of Granite City high school, and Patricia Banfield, a Madison high school graduate.

George T. Wilkins, state superintendent of public instruction said the additional scholarships for Madison county were made possible by a transfer of unused or partially used scholarships from quotas assigned to other counties.

A candidate for the scholarship must have graduated in the upper half of his class and is entitled to instruction, matriculation, graduation, tuition and activity fees in the state teacher education program.

The four-year scholarships may be used for teacher training at either of five state universities—Illinois State Normal, Northern Illinois University, Southern Illinois University, Eastern Illinois University or Western Illinois University.

PITCHING PROSPECTS at Granite City high this spring include this foursome, all scheduled for mound duty when the Warriors play a season-opening doubleheader at Dupu Saturday afternoon. Left to right are

righthanders Perry Tayan and Bill Lietman, and lefthanders Larry Corey and Terry Kofahl. A fifth member of the staff, Charles Papp, was absent.

Warriors Schedule Doubleheader In Dupu Saturday--Weather Permitting

A young but apparently sound Warrior baseball club hopes to get the full cooperation of the weatherman this weekend in its attempt to get the 1962 spring season underway.

Granite City this week rescheduled a Saturday doubleheader at Dupu to replace a twin-bill with Staunton which had been set for that date. The first game is scheduled to start at 1 p.m. on the Dupu diamond.

Lineups for the Saturday openers are still tentative in the mind of Coach Joe Pedora. "I'll know a lot more about it after we've played a practice game with Madison Thursday (this afternoon)," he said earlier in the week.

Fedora does plan to take a look at everybody on the roster, including five pitching hopefuls, only one of whom had any experience on the mound for GCHS last year.

Lefthander Larry Corey, a letterman used primarily at first base last season, may draw a starting assignment in the first game. If he does not, Corey will play first base.

Another southpaw, little Terry Kofahl, will join righthanders Perry Tayan, Charles Papp and Bill Lietman in taking turns on the mound for the weekend.

If Granite City and Dupu can slip in their doubleheader ahead of the rain predicted for the weekend, an April 7 date between the two clubs will be played in Dupu rather than here, as was originally planned.

Running down the remainder of the lineup for Saturday, Glen Hoffman will go at second base, Dave Sparks or Dick Fritzell at shortstop, Rich Hahn or Norm Wilfong at third, Terry French in left field, letterman Jim Cavanaugh in center and Jim take your pick -- Bob Ketter, Jim Proffitt, Ron Yates or Charles Stephens in right.

Vic Buehler, who lettered in the outfield last spring, and Bill Niepert are starting catcher choices. Sparks' ability to play at short will depend on how well an injured knee responds to treatment, Fedora said.

The Warriors will play their first Southwestern conference game next Tuesday at Wood River, beginning at 4 p.m.

Chiefs Schedule 12 Baseball Games; Look For 3 More

Prather junior high school's baseball squad, which averaged five runs per game but dropped all but one of 11 contests during its first year of play last spring, will open a tentative 12-game schedule in Roxana on April 3.

Coach Conrad "Babe" Champion said he hopes to expand the schedule to at least 15 games, and is currently working to arrange playing dates with Assumption, Triad, Wood River or Madison.

The Chiefs will play six home games on diamond No. 2 in Wilson Park, including their final four engagements of the season. Workouts at Prather began indoors on Feb. 19. The Chiefs have been able to get in four long outdoor sessions with the advent of better weather, and ran through their first intersquad game Tuesday afternoon. Twenty-seven candidates for the squad are reporting for practices.

The Prather baseball schedule:

April 3 at Roxana, 4
April 8 at Cahokia, 4
April 11 Collinsville, here, 4
April 12 at Bethalto, 4
April 15 at Edwardsville, 4

SIU Wrestling Coach Slated For Mat-Cage Banquet Here

Jim Wilkinson, varsity wrestling coach at Southern Illinois University, will be the guest speaker at the annual smorgasbord banquet in honor of Granite City high school wrestlers and basketball players.

The banquet will be held at 6 p.m. Tuesday, April 3, in the high school cafeteria.

Tickets are available from David Morgan, Cameron Van Buskirk, Jon Tarpo and GCHS Athletic Director Dick Yates.

Wilkinson, whose Saluki wrestlers have won four straight IAC championships, is a graduate of Indiana University, where he was a Big Ten champion in his weight division.

He lists his biggest disappointment as becoming ill during the NCAA national championships in his senior year, when three college wrestlers in his weight class whom he had beaten during the regular season went on to finish 1-2-3 in the finals.

He coached the Salukis in 1949-50, and then returned in 1951-52 and has been varsity wrestling coach ever since. Southern's wrestlers have won conference championships on six different occasions during his tenure. His teams at SIU had compiled a 63-28-4 record through last season's dual meets.

Coolidge Will Open Diamond Season At Home On April 10

Sixty candidates for the Coolidge junior high school baseball squad currently are in their third week of organized practice in preparation for opening a tentative 10-game spring schedule at home against Cahokia on Tuesday, April 10. Coach John Tonnoff reported today.

Tonnoff said he would like to add at least two games to the schedule, probably at home-and-home arrangement with Belle and basketball players.

The Braves won six of eight games in 1961, and had several rainouts.

Practice was late in beginning. Due to the length of the basketball season, but the Braves have worked in four outdoor sessions and probably will play their first intrasquad game next week, weather permitting.

Games definitely scheduled, with the exception of a tentative April 17 date with Prather, include:

April 10 Cahokia, here, 4
April 16 at Collinsville, 4
April 18 Edwardsville, here, 4
May 1 at Prather, 4
May 2 at Cahokia, 4
May 3 at Roxana, 4
May 7 Prather, here, 4
May 9 at Edwardsville, 4
May 11 Collinsville, here, 4

(Home games on Coolidge JHS diamond.)

Two Local Men Enlist In U. S. Air Force

Recent enlistments of two Quad-Cities men in the U. S. Air Force were announced this week by S/Sgt. Dwayne Donsen, area recruiter who maintains an office in the city hall.

The two are George M. Birdsong, son of Mr. and Mrs. George W. Birdsong of 2708 Cayuga street, and Donald R. Beyer, son of Mrs. Bertha M. Beyer of 515 Third street, Venice.

Both men were assigned to Lackland Air Force Base, Tex. for eight weeks of basic training.

Little League Tryouts Scheduled For April 7

Tryout dates for boys eight to 12 years of age who wish to participate in the Namoeki Little League baseball program this year are scheduled for Saturday, April 7, at 1:30 p. m. on the Little League diamond at Amos avenue and Johnson road, League President Glen Hollis said today.

League participation boundaries are Johnson road on the south and east, Namoeki road on the west, plus the Branchiff subdivision as far north as Norwood drive, and the areas included in the Wilshire, Gorbie, Holiday Gardens and Cloverview subdivisions.

In case of rain, the tryouts will be rescheduled for April 14 at the same hour.

VOTE DEMOCRATIC FOR PATRICK S. O'NEILL for State Senator

"RELiance ON THE PEOPLE"

Reported in the Edwardsville Intelligencer and the St. Louis Globe Democrat on January 30, 1962, was a debate between two Democratic candidates for State Senator in the 47th Senatorial District, in a party meeting at Edwardsville.

PAT O'NEILL charged that his opponent, as State Representative, overlooked the will of the people he represented, naming several instances of voting against legislation:

- Appropriation for State Superintendent of Public Instruction, George T. Wilkins.
- Pegging Sales Tax for Common School Fund.
- State Bond Issue for SIU Campus in this district.

"If I am nominated and elected State Senator from this District," Pat said, "I will express the will of the people in Springfield."

Mr. Simon replied, that he votes for "the best interests of the people rather than their expressed feelings on a particular issue."

IN OUR AMERICAN WAY OF LIFE, GOVERNMENT IS NOT MADE UP OF LEADERS WHO DETERMINE WHAT THEY THINK IS BEST FOR THE PEOPLE, REGARDLESS OF HOW THE PEOPLE MAY EXPRESS THEMSELVES—

IT IS DESIGNED PRIMARILY TO GIVE THE PEOPLE AN OPPORTUNITY TO GOVERN THEMSELVES.

If you want a State Senator to vote your expressed will—

Elec Patrick S. O'Neill, State Senator.

"WILL OF THE PEOPLE vs. MR. SIMON"

To PAT O'NEILL, this is a strange and undemocratic philosophy for a candidate for State Senator—to vote for what he thinks is best for the people rather than for their expressed feelings and obvious needs. It is not the way Democracy works—as the same Intelligencer pointed out in an editorial on Monday, February 19, 1962, entitled "There Are Rights and Responsibilities!"

"An elected alderman (Senator) should represent the wishes and desires of the citizens (of the Fourth Ward) and the city as a whole. The people elect him for this purpose. And, if at any time, they feel that he is not representing these interests, they will decide that, too. That's the way it works."

"His responsibilities do not give him any more rights as a citizen than the rest of us have. This is not the backwards, where officials can make the law conform to their own desires."

Leukemia Victim, 2, Needs Blood Donors

Carl Gerstenschlager, two-year-old son of Mr. and Mrs. Marion G. Gerstenschlager of 4027 Altan road, is a patient at St. Louis Children's Hospital with leukemia and urgently needs blood donors.

The child has been hospitalized frequently since January, his mother said, and received Sunday. She said transfusions are now his only hope. Donors should report directly to the blood bank at Children's Hospital.

Mr. Gerstenschlager is an x-ray technician at St. Elizabeth Hospital.

Matson A Top Salesman In Nation For Plymouth

HELPING KICK OFF membership drive for the Tri-City Community Concert Association at a banquet here Monday night were (left to right) Mrs. Albert Froemling, chairman of the 10th annual drive; Miss Mary Cowan, dinner chairman; Miss Sharon Collins, a representative of the Community Concerts Association of New York; Mrs. Warren Simpkins, association secretary; Warren Simpkins, who directed the choir from operetta to be presented tonight and Saturday by high school music department; and Ernest A. Karandjeff, first president of the association and the evening's principal speaker.

Concludes Saturday

Community Concert's 10th Membership Drive Underway

The Tri-City Community Concert Association's 10th annual membership drive got off to a rousing start Monday night at the Smorgasbord restaurant on Nameoki road, where about 75 campaign workers officially began a job which will culminate Saturday afternoon with the selection of artists who will appear in concert here during the association's 1962-63 season.

A number of new and renewed memberships for the coming season, already obtained by workers, were turned in at the conclusion of the kickoff dinner, but total membership will not be announced until Saturday.

Monday's dinner meeting was opened by association President Raymond Henley, and the workers were addressed by Miss Sharon Collins, a representative of the Community Concerts Association of New York, with which the local association is affiliated.

Mrs. Albert Froemling, drive chairman, announced that the concert board will meet at 2 p. m. Saturday at the Madison County Federal Savings & Loan Association, 3214 Nameoki road, to select artists for the coming season.

Templeton To Appear
Alec Templeton, blind pianist who was the first artist to appear here under the association's auspices 10 years ago, has been announced as one of the season's attractions. The date of Mr. Templeton's appearance and those of other musicians will depend on when the artists can be booked here. Also, the number of concerts for the coming season will depend on total membership in the association.

3 Receive Engineer Incentive Awards

Jeremiah Potillo of 2445 Illinois avenue, Frank Zinke of 4209 East Lake drive and Doris W. Chittatt of 2324 Terminal avenue were among 10 employees of the U. S. Army Engineer Supply Control office in St. Louis who recently received incentive awards for special service and money-saving suggestions.

Each of the Granite Cityans received \$60 cash awards for helping to develop a method to use high speed electronic computers for processing supply requisitions. The awards were presented by Col. Thomas B. Simpson, commanding officer.

Obituary Correction

An obituary notice in Monday's issue incorrectly stated that the late Mrs. Mollie Smith of 2129 Grand avenue was to be buried at Hillsboro. Interment was in Glendale Cemetery, Fillmore, Ill., Tuesday. The Press-Record regrets the error.

City To Help Walton Solve Two Problems

Council members gave their support to Dr. E. W. Walton in his bid to erect a \$250,000, 50-bed chiropractic hospital on Maryville road, a quarter-mile north of the Maryville school, which is outside the city limits.

Dr. Walton and his attorney, Maurice Dailey, appeared before the council Monday night and said the primary purpose was to advise the council of the proposal and to seek support in solving problems of sewers and annexation. Several council members cited the need for such facilities to serve the community.

Dr. Walton and Dailey, who are officers in the Delaware corporation of Walton Chiropractic Hospital, Inc., recently given a charter by the state, were told the city would have no objection to annexation or a sewer tap-on, provided a large area does not have to be annexed. It was proposed that by gerrymandering, the hospital site of about 10 acres could be annexed.

The sewer extension ban, set by the state Sanitary Water Board to halt further pollution of the Mississippi River by the city, was interpreted not to involve the hospital since tap-ons are permitted, but construction of trunk line extensions are banned. Dr. Walton was told he would have to construct his own extension, but the city would provide engineering and legal advice.

Dr. Walton displayed a sketch of the proposed hospital, telling council members the sketch is currently on display at the First Granite City National Bank.

County Pays \$1917 For Killings By Dogs

Checks totaling \$1917 are being distributed by County Treasurer Dan W. McGee on claims filed by owners of livestock and poultry killed by marauding dogs in rural areas of the county in the past year.

A total of 36 claims, none from local area townships were filed in the 12-month period to March, covering loss of 216 chickens, 63 sheep, 71 ducks, 12 hogs, six geese, a heifer, eight turkeys and a calf.

Each of two witnesses in the filing of a claim receives 50 cents and witness fees on the claims being paid amounted to \$38.

Payments on losses are made from dog license fees collected each spring by assessors in rural townships. Claims for the previous years amounted to \$2828.

GC Council To Again Study Parking Needs At Hospital

Little hope was given by city council members Monday night to a petition from staff doctors at St. Elizabeth Hospital asking for special parking privileges in the vicinity of the hospital.

The petition, read by Mayor Davis, was referred to the Street and Alley committee headed by Alderman Estill Von Schmitten and to Second Ward Aldermen Samuel Whitmer and Edmund Bartosik.

Mayor Davis pointed out the city had long been developing the problem of easing parking restrictions at the hospital, but that he believed the only solution would be for the city to buy houses in the 2100 block of Iowa street and tear them down for a parking area. "This could be done in the future when federal urban renewal funds become available," Davis said.

He said the doctors' petition should stimulate the city to revive the issue which has been discussed over a number of years.

Alderman Donald Partney told

council members that should the city's master sewer, drainage and pollution abatement program go through on a city basis, Granite City would be eligible for federal funds for area redevelopment.

A suggestion by Alderman Walter Norn to remove parking meters from the vicinity of the hospital in sympathy for persons visiting there was debunked by Alderman Bartosik, who said the problem now is hospital employees parking all day in unmetered areas, and it would be more acute if the meters were removed.

Several aldermen pointed out the hospital is developing its own lot where the old, original hospital building had been razed, and that it should provide adequate space for emergency parking for doctors. Second Ward Aldermen Whitmer and Bartosik said they had been studying the problems of parking at the hospital for some time and would work with the Street and Alley committee in finding a solution.

No time limit was set on submitting a report.

Girl Scouts Kiwanis

A meeting honoring Mitchell Girl Scouts was held by the Mitchell Kiwanis Club Monday night, with 19 members and seven guests present.

Mrs. Harrel Smith, Girl Scout leader, was present with Girl Scouts Debbie Smith, Brenda Sidham, Linda Green, Dottie Sands, Betty Sands and Pamela Smith.

Featured at the meeting was a film on the past annual Girl Scout national roundup at Denver, Colo., titled "A Mile High and World Wide."

Club members discussed the annual Kiwanis bowling tournament to be held at Galesburg on May 5 and 6.

CHUCK GAUWEN

About This Question:

"Our 50 year old home was badly damaged by fire. It will cost us \$5000 to repair the home — our fire insurance is for \$12,000 — but the insurance company allows only \$2500 damage, as the 'depreciated' value of the burned-out portion. Is it possible today to insure a home to 'full replacement' value?"

Council OK's Tag Days For GC Scholarship Fund

Unanimous council approval was given 24 youth groups to conduct tag days in Granite City Friday and Saturday to raise Scholarship Foundation's current campaign for \$10,000 to award twenty-five \$400 scholarships this year.

The request from the foundation was submitted to the council Monday night by Mayor Davis, who said between 300 and 350 youngsters—possibly future recipients of the scholarships themselves—would be participating under adult supervision with all funds to go to the foundation.

"This will be a substantial contribution by the youth as a community service and deserves support of Granite Cityans," the mayor stated.

Probation Officers Attending Conference

Joseph Cuvier, adult probation officer; James Reidelberger, juvenile probation officer; and Mrs. Minnie Sigler, a youth counselor in Reidelberger's office, are among county probation officers who are attending the annual Illinois Probation and Parole Association conference which opened Tuesday in Springfield.

Gov. Kerner spoke to the delegates last night on "The State's Role in Correctional Services." Theme of the three-day conference is "Progress in Probation and Parole."

Local Jewelry Company's Balloon Found In Texas

It is several hundred miles from Granite City to Troy, Tex., but an advertisement for the Meyer Hurwitz Jewelry Co. here recently made the trip — by way of balloon.

Irvin Robbins, of the local store said balloons with the firm's name and store addresses imprinted on them are given to children visiting the stores here and in East St. Louis and Alton. One of the balloons was apparently inflated and released, and was found in the yard of a resident of the Texas city. The woman notified the jewelry company of her find.

No Driver's License Horace E. Green, 54, of 2837 Forthling blvd., was arrested Monday for driving without a license. He was released on \$16 cash bond to appear for a hearing at a later date.

4 Addressess To Highlight County Teachers' Meet

Four addresses will highlight a program for Quad-City teachers and other instructors in the southern half of Madison county tomorrow at Webster junior high school, Collinsville.

Collinsville Supt. D. K. Darling will preside, and prayer, the national anthem and group singing will open the 9 a.m. session. First speaker, Rev. Charles H. Willey, pastor of the first Christian Church of Moline, Ill., will talk on "Wall Builders, U. S. A." Rev. Willey has served as educational consultant to the Illinois Farm Supply Co. and currently is probation counselor of the Rock Island juvenile court. He is a board member of the Arrowhead Ranch for Boys, and does extensive family and marital counseling. He has served as an observing delegate to the United Nations and recently traveled 30,000 miles to visit 14 countries in Europe, the Middle East and Russia.

"You Can't Miss It" will be the topic of a 10:30 a.m. talk by William E. Skadden, health educator who has appeared before assemblies and career days in 700 Illinois high schools to explain the nursing scholarship program of the Illinois Department of Public Welfare. A relief chaplain in both the U. S. Senate and House, he is a former executive secretary of the Illinois Welfare Association.

Academically Talented

After an 11:30 p.m. luncheon, singing will be held and an Alton "little theater" group will perform. Fred Riddle, Collinsville high school principal who formerly was principal of Madison high school, will introduce the 1:30 speaker, Dr. Charles E. Bish, whose subject will be "The Academically Talented."

As director of the National Education Association project on the academically talented, Dr. Bish's job is to assemble research data and other material concerning the education of gifted students and make it available to school systems and educational organizations.

Director of civilian training for the Department of Defense in world war II, he lists as his chief aim the elimination of present "waste of talent, which permits youngsters to avoid opportunities that would help them work up to their full capacities."

Final speaker, at 2:30, will be Irving Dillard on "If I Were a Teacher." Former editor of the Post-Dispatch editorial page, he is lecturing, writing a book on the U. S. Supreme Court and writing a Chicago newspaper column.

Evening Band Concert Madison county band directors will conduct the annual high school band festival at Edwardsville high school from 9 a.m. to 4:30 p.m., with a concert at 7:30 p.m. Friday.

Guest conductor will be Thomas Richardson, head of the music department at Blue Island, Ill.

Afternoon sessions, 1:30 to 3:15, are planned for an art education conference and vocal music education conference, both at Edwardsville junior high school. Eugene Altsch, Granite City art director, will be a panelist on "Looking Ahead at Art Education."

ROBERT D. ROBERTS, a son of Mr. and Mrs. David G. Roberts, 2400 State street, who has been elected sergeant-at-large of Sigma Pi social fraternity on the campus of Eastern Illinois University in Charleston. A 1960 graduate of the Granite City high school, Roberts is a sophomore business major at Eastern. He is also treasurer of the Management Forum and a member of the Marketing Club.

GC City Employees Seek Pay Hikes

Contract negotiations with unions representing city employees were started Monday night during a closed committee session held in the mayor's conference room following a brief council meeting.

Present were officers of the unions for the fire, police, street and sanitation departments, Mayor Davis, and members of the Finance, Street, Sanitation, Police, Fire and City Hall committees.

While details of the meeting were not disclosed, it was learned the unions are seeking a wage increase. Last year, the city granted \$25 monthly pay boosts to all city employees.

However, already this year,

prior to the May 1 start of the new fiscal year, Alderman Walter Nomm, who last year proposed the \$25 monthly pay boosts and is now chairman of the Finance committee, stated during a Finance committee meeting on Feb. 26 there would be no pay increase for city employees during the 1962-63 fiscal year. Nomm said costly sewer repair projects had depleted the city reserve funds and a tax levy in the same amount as last year would be needed this year in order to build up the working cash fund.
